

# SIMPLE CURE FOR PIMPLES.

There is only one way to obtain a clear complexion and a flawless complexion: massage treatment makes the flesh flabby, the so called beauty creams containing oily or other greasy substances, fill up the pores of the skin, preventing them from doing their work properly, and also induce the growth of a fine fuzzy hair on the face. If you would have a face entirely free from Pimples, Blotches, Eczema, Black-heads and kindred diseases of the skin, get the following prescription, put up at any reliable Drug Store and your troubles will soon be over. Clearola one-half ounce, Ether one

ounce, Alcohol seven ounces. Mix, shake well and apply to the face night and morning, allowing it to remain at least ten minutes, the longer the quicker results you will have. In extreme cases apply four or five times daily. The filmy powder deposits on the face may be wiped off after a reasonable time. Do not use soap, instead wash the face with oat meal and a little powderedorris root tied up in a cheese cloth bag, and no matter how bad your face is, or what the cause may have been, this will surely cure it. This prescription is perfectly harmless and can be used on the most delicate skin.

## Is She Working Herself to Death

Does your wife complain of too much dairy work? Do you ever hear her say she'll never get through washing milk things? How often does she say, "Oh, if I only had fewer pans, crocks and cans to wash, I could read, write or sew more, or even take a little rest each day."

AN EASIER TIME. Ask her about it. Arrange to make the dairy work one half easier, one half neater, one half more pleasant, and 25 to 100 per cent. more profitable by using a Sharples' Tubular Cream Separator. Until you try the Tubular, you can't imagine the difference it makes. It skims the milk immediately after milking—there's no milk standing around—no cans or pans to wash. The Tubular is entirely different from all others, so much more simple and convenient. Bring your wife and let me take a Tubular apart for you.

B. I. REEDER, Hustontown, Pa.
