

A. M., when Grover, awakened from a troubled sleep by the rumbling of a passing trolley car, determined upon suicide in order to end his own troubles. Dressing and securing his revolver, he told his wife that he was going out into the yard. Read-ing his purpose in his eyes Mrs. Grov. er crawled painfully from her bed and started to accompany him. He finally that he intended to end it all. Miss Grover, hearing the commo-sibility for the enforcement of the

Miss Grover, hearing the commotion came from her bedroom on the agreement. floor above and entered the room ocfoor above and entered the room oc-cupied by her parents. Seeing then that he would not be allowed to carry out his intentions regarding himself Grover determined to usher his entire family into eternity with

She Pled In Vain.

He killed his daughter first, shoot. ing her as she turned from him at the threshold of his bedroom door. He then made a vain attempt upon the life of his wife, trying to shoot her first in the room, when his pistol became broken in the scuffle, and again is the hall, when she fied from him, after a sharp struggle, and while the woman upon her knees was pleading vainly for her life. Thrinking that his wife was dead,

the man went back into his bedroom and fired a bullet into his own brain, his body falling at right angles to that of his daughter, their feet touching, their blood mingling to-gether in a dark pool that spread far

over the floor. Out in the yard, to which she had crawled in her terror, and with not a human soul living within sound of her voice, Mrs. Grover shrieked in her agony until an answering cry from Lewis Preston, a who, with his dogs, was negro who, possum hunting in the neighbor-hood. Mrs. Grover had seen the light carried by the man. She redoubled her cries until he came to her, when she told him that her husband had killed her dauhter and himself and

begged him to go for assistance. Preston ran to the home of W. P. Shonway, three-quarters of a mile distant, aroused his family, whom he told that something awful had happened at the home of the Grovers. but they doubted the man's story and sent him still further upon his way.
