swelling. It also makes the lambs farmers and all who wish to make the Institute a success. A query box weak. The feverish condition dries will be open to receive questions at all sessions except the last. Everythe wool, makes it brittle and checks its growth. body is invited.

COMMITTEE, J. I. WILSON, D. W. CROMER, JOHN FOREMAN.

That Lame Back Means Kidney Disease

And to Relieve the Lame and Aching Back, You Must First Relieve the Kidneys

There is no question about that ! at all-for the lame and aching back is caused by a diseased con-dition of the kidneys and bladder. It is only common sense, any way
—that you must cure a condition
by removing the cause of the condition. And lame and aching back are not by any means the only symptoms of derangement of the kidneys and bladder. There are a multitude of well-known and un-mistakable indications of a more or less dangerous condition. Some of these are, for instance: Extreme and unnatural lassitude and weariness, nervous irritability, heart irregularity, "nerves on edge," sleep lessness and inability to secure rest, scalding sensation and sedi-ment in the urine, inflammation of the bladder and passages, etc.

DeWitt's Kidney and Bladder Pills are an exceptionally meritorious remedy for any and all affec-tions or diseased conditions of these organs. These Pills operate directly and promptly—and their beneficial results are at once felt.

They regulate, purify, and effectually heal and restore the kidneys, bladder and liver, to perfect and healthy condition—even in some of the most advanced cases.

E. C. DeWitt & Co., Chicago, Ill., want every man and woman who have the least suspicion that they

For Sale at Treut's Drug Store.

Miss Lizzie McIntyre, of Six-

mile Run, is spending a few days with J. M. Schenck and wife. Mrs. L. L. Cunningham, of New

Grenada, spent Saturday and Sunday with her brothers, H. M. and Levi Truax.

The stork paid a visit to Oscar Houck's last week, leaving a fine big boy.

Miss Mary Berkstresser after having spent a couple of weeks at her home, returned to Saxton last Sunday where she expects to spend the winter.

Mr. and Mrs. Ralph Brown, of Coaldale, spent a few days with the latters uncle Mr. A. S. Ed-

A Breakfast for Five Costs Only 10c

All the wealth in the world could buy nothing finer for break-fast than Beardsley's Shredded Codfish.

This forms the favorite morning meal in many a millionare's home. And dozens of dishes made from it are on the breakfast and luncheon menus of this country's most expensive hotels.

Yet more than enough for five hungry people will cost you only 10 cents.

And there's nothing easier to prepare. You can have it ready for the table-cooked to the Queen's taste-in less than 10 minutes.

BEARDSLEYS

The Incomparable Flavor Lots of people like Beardsley's Shredded Codfish so well that they

eat it right out of the package—before it is cooked. This doesn't taste at all like the old-

fashioned dried codfish.

And you'll find a vast difference between this and all other codfish in packages.

We use only the choicest fish—the plumpest and fattest. We get them from Northern waters. The fish which feed here attain a super-And we take only the choicest parts of each fish—the sweetest, most deli-

Elliott Kirk.

cate meat. Better Than New Laid Eggs

Your folks will find Beardsley's Shredded Codfish a welcome change from meat or eggs.

It is richer in food value than either.

THE PACKAGE WITH THE RED BAND Lined with wax-paper. No preserva-tive whatever, save the purest and finest sea-sait. Also packed in tin and glass.

THE SHEPHERD.

For the man who has no sheep an

economical and profitable method of

starting the flock would be to purchase

the so called old ewes which have

been discarded from the flocks of

sheep men. Many people consider a

ewe old and undesirable when she at-

the two or three year old ewe. Still,

If her udder is good there is no rea-

son why she would not be profitable

from a breeding standpoint until she

is eight or ten years old. She is just

the kind of an animal for the begin-

ner in the sheep business to handle.

During the month of September and the early part of October of each year

there are thousands of just such ewes

sent to our markets, where they are a

A Very Little Corn, Please.

Concentrated and stimulating foods

are unsuited to sheep. A very little

corn will do with other grains, says a

sheep feeder. Corn makes the sheep

feverish, inflames the udders of the

ewes and makes a big show of milk,

which is actually inflammation and

No Need For Tears.

There will be a death loss among

feeding lambs no matter how careful-

ly they are fed. Care will greatly re-

duce this loss, however. The writer

has had as low as 2 per cent and as

high as 8 per cent. If no more than

I per cent loss is sustained, no one

Mutton Chops.

Do not shut the sheep up too closely

on cool nights, as they may suffer from

want of gir if at all crowded, advises

Sheep need to be kept dry. They

need very little protection from cold,

but damp fleeces are to be guarded

Count the sheep overy day. You may

save a sheep by it. Go among them

When the wool on the sheep's back is

not soft and olly, something is wrong

with that sheep. Better look into the matter and do what you can to make

More Hothouse Lambs Needed.

The conditions afforded by New

Hampshire offer an excellent oppor-

tunity for the production of early

lambs for the Boston market. The de-

mand for early or "hothouse" lambs

sheep raisers in this phase of the in-

dustry, says F. W. Taylor of the state

experiment station in American Culti-

PUBLIC SALE VALUABLE FARMS.

The undersigned will offer at public sale in front of the Court House, Chambersburg, Pa., on Saturday, November 20, 1909, at 1:30 o clock, p. m., tains the age of five years. Such a the following farms: ewe if a good breeder will not appear TRACT NO. 1 A farm, known as so nice to the eye of the visitor as

the Mansion Farm of the late S. B. Rinehart, situate about two miles west of Mercersburg, along the turnpike leading from Mercersburg to McConnellsburg, adjoining lands of George Steiger and others, containing about 212 acres of good quality of land, of which about 53 acres are well set with good mixed timber. The cleared land is of fine quality and in a good state of cultivation Improvements consist of a large two and one-half story frame dwelling house, a large frame bank barn, wagon shed, dairy, storage sheds, poultry houses, ice house, and blacksmith shop. These buildings have the free right of water supplied from the pipes of the Mercersburg Wa ter Company. About 69 acres of this farm are planted with peach trees of fine quality. Some of these orchards are now bearing, and the remainder containing about 5000 trees will come into bearing in two or three years. This farm is one of the most desirable in Franklin county, on account of its location and adaptability for fruit and the improvements. It will make a very desirable country residence.

TRACT NO. 2. A farm adjoining he above, containing about 182 acres of land, of which about 100 acres are leared and the balance well set with good timber. The cleared land is of excellent quality and in a high state of cultivation. Improvements consist of a two and one-half story frame dwelling house, stone bank barn and out buildings, and a two-story frame tenant house, containing four rooms, which, at present, rents for \$4.00 per moath. About 16 acres of this farm are in peach orchards of fine quality. There is a never-fal ing spring of fine water at the buildings.

TRACT No. 3. A farm about one mile north of the Mansion Farm, adjoining lands of L. A. Dorty, Dr. W. M. Irvine, and others, containing about 194 acres and 35 perches, of which 139 acres is cleared land and is increasing every year, and the prices | the balance timber. The cleared land paid for them should encourage our is good quality of gravel and sandstone Improvements are a two and one half story frame dwelling house. with log back building, a large frame barn, new blacksmith shop, new wagon and storage sheds, and other out buildings There is a fine orchard of peach trees containing about 115 acres on the premises.

fly fruit in most southern orchards. No other is so sure and regular in its Terms made known on day of sale. T. J. AVERY. Sharpe & Elder,

Attorneys.

THE THRICE-A-WEEK WORLD The Greatest Newspaper of Its Type.

It Always Tells The News As It Is. Promptly and Fully.

Read In Every English-Speaking Country.

It has invariably been the great effort of the Thrice-a-Week edition of the New York World to publish the news impartially in order that it may be an accurate reporter of what has happened. It tells the truth, irrespective of party, and for that reason it has achieved a position with the pub-

lic unique among papers of its class. If you want the news as it really is, subscribe to the Thrice-a-Week edition of the New York World, which comes to you every other day except Sunday, and is thus practically a daily at the price of a weekly.

THE THRICE-A-WEEK WORLD'S regular subscription price is only \$1.00 per year, and this pays for 156 papers. We offer this unequaled newspaper and THE FULTON COUNTY NEWS together for one year for \$1.75.

The regular subscription price of the two papers is \$2.00.
