Last Thursday, a little four-year-old son of Mr. and Mrs. William F. Cutchall, living near Back Run, in Ayr township, pulled a farm gate over on him and broke one of his legs between the hip and knee. Dr. Robinson reduced the fracture, and the little fellow is getting along all right now.

S. K. Pittman, formerly of this county, has purchased from E. W. Lehman, of Harrisburg, a fine limestone farm near Carlisle. There was a time when merchanting attracted men from the farms, but now the farm attracts not only merchants, but other business men as well.

When you have a cold the first thing to do is have the bowels move. Do not take anything that may constipate—and most old fashioned cough cures do constipate. Try Kennedy's Laxative Cough Syrup. It drives the cold from the system by a free yet gentle action of the bowels; it stops the cough, it is pleasant to take. Children like it. Sold by Trout's drug store.

J. W. Huff, of Saxton, was elected to the office of Associate Judge for Bedford county on the democratic—prohibition ticket by a majority of about 300 over S. J. Foor the republican candidate and 250 over Thad S. Bar who ran on the taxpayers' ticket. The balance of the republican ticket in that county was elected. This means that Bedford county is likely to have a spell of dry weather, beginning with the year 1910.
