CHARGE RODRIGUES CETS HIS PASSPORTS

of Americans.

America-Will Hold Both Factions To Accountability.

Washington, D. C. (Special) .-the passports of Felipe Rodriguez, a definite declaration by both houses charge d'affaires of the Nicaraguan Legation, with a letter scathingly denouncing the Zelayan administra-tion of the government of Nicaragua. The letter is definitely declared to represent the views of President Taft, and is about as plain-spoken as anything emanating from the State Department in many years.

The extraordinary feature of the bones were brought in by porters. The hugh skulls were carried by eight porters, with reliefs of eight more every now and then. The loads been indorsed once by more than jority of the stock of the Equitable Life Assurance Society, formerly Americans, Cannon and Groce, and owned by Thomas F. Ryan. This purchase is subject to the trust ungovernment holding the chief executive of another practically as a com-mon malefactor. Zelaya is branded as a violator of solemn international

conventions, a disturber of the national and international peace, a tyrant whose administration has been a blot upon the name of good gov

Secretary Knox vitually anounces the recognition of the Nicaraguan revolutionists, declares it to be the conviction of the United States that the revolution represents the sentiments of a majority of the Nicaraguan people, and that there is evidently no responsible government with which the United States can he Secretary Of State Sends A Vigorous Note To Nicaragua's all parties will be held accountable for their actions as affecting the in-Diplomatic Relations With That Central Americans and the peace of Country-Declares Zelaya's Re- Senor Rodriguez that while he has gime A Blot Upon Nicaragua's lost his diplomatic quality, he may History And A Menace To Central still serve as an "unofficial" channel of communication with the fac tion which he is regarded as repre senting.

This brings the crisis as near to Washington, D. C. (Special).— the status of war as it could be brought by executive action without of Congress.

Mr. Knox's letter in all but so many words makes it plain that the action represents the wish and attitude of all of the Central American States with the single exception of Honduras, which is regarded here as entirely dominated by Zelaya. Mexico has all along shown its sympathy

with the United States in this matter. Just what status the consular rep resentatives of the United States in Nicaragua now enjoy it not definitely explained. It is expected, however, that Vice Consul Caldera, who has been occupying the legation in Managua, together with other consuls in that country, will be given their pass-ports. This is the usual method of procedure in case of such action between governments.

THIS WAS A BIC YEAR FOR THE FARMER

Secretary Wilson Declares It a Record-breaker.

WAS THE MOST PROSPEROUS OF ALL.

Head Of The Agricultural Departures To Prove His Statement-Price Of Beef Has Risen-Gross Profit Smaller In Baltimore Than Have Increased In Value,

place to which 1909 is entitled in never been equaled in a previous agriculture, declares the Secretary of year. It is almost exactly \$3,000,-Agriculture in his thirteenth annual 000,000, or 34 per cent, above the report, just made public. The value five-year average. sibly large that it has become merely a row of figures. For this year it is \$8,760,000,000, a gain of \$869,000,000 over 1908. The value of the products has nearly doubled in 10 years. The report says:

"Eleven years of agriculture, beginning with a production of \$4.417,000,000 and a production of \$4.417. Peru, Ind. (Special).—As a result of marriages and divorces a number of relatives in the vicinity of Mc-

To Prevent Fire In Mines.

Springfield, Ill. (Special) .- Governor Deneen has asked the Illinois
State mine investigation board to
draft amendments to the mining
laws to be introduced at a coming
special session of the legislature.
They include firefighting apparatus
and water in the mine, concrete construction of the underground stables
and fireproof timbering at the bottom of the shafts. The State commission and State mine inspectors
have formulated plans for the investigation of the Cherry disaster.

Hunting, Wesley McBride, aged 15,
according to his own own version
of the affair, accidentally shot his
companion, Harry Long, aged 15,
in the jaw, and then fired two shots
into his head to "make a good job
of it." McBride says he was twirtthe accident occurred. He notified
the police of the shoting, and told
of firing the two shots which ended Long's life. McBride's parents
say his mind was affected by a rerecent severe illness. nor Deneen has asked the Illinois draft amendments to the mining laws to be introduced at a coming special session of the legislature. They include firefighting apparatus and water in the mine, concrete construction of the underground stables and fireproof timbering at the bottom of the shafts. The State commission and State mine inspectors have formulated plans for the investigation of the Cherry disaster.

London (Special) .- In the sedate, detached manner characteristic of the proceedings in the gilded chamber, and in direct disregard of the advice of some of its ablest and odest members, such as Rosebery, Morley, Lord James of Hereford, Lord Cromer, Lord Balfour of Bur-leigh, the Earl of Lytton, Lord Court-ney and the Archbishops of Canterbury, and York, the House of Lords created a situation unprecedented in English history, at least in 300 years, by refusing formal assent to the budget bill and referring it to the country itself for judgment, thereby, in theory, making it illegal to collect taxes

and again the budget, and placing in every possible light all the aspects of the great constitutional questions involved, the House of Lords cleared for division at halfpast 11 o'clock The scene was impressive, but in no sense exciting, except that the House was packed to its utmost ca-pacity and a great array of strange

arguments arrayed on both sides for

peers who only appear in the House in exceptional cases.

adjournment and the House rose
