The Sheets Stage Line takes you to Mercersburg for 50 cents.

It is stated that more business is being done at Lewistown now than ever before in the history of the place. It is done on a cash basis and is attributed to the fact that the town is "dry."

Fare one way between Mercersburg and McConnellsburg 50 cents. Sheets Stage Line.

It may be surprising to some people to learn that the finding of a lost article and making no effort to discover the owner is a criminal offense and renders the finder liable to prosecution for theft.

Walker Mellott last week purchased the stock of goods in the store of G. Johnson Mellott at Gem, and moved the same to his residence, near the old Correll place in Belfast township, where he will conduct a general store.

If the fellow that stole two of David Harr's turkeys one night last week, will go to Dave, he can have the hat he lost while taking the turkeys. You had might as well "fess up," for Dave knows the hat.

W. H. Peck, of Gem, spent Monday in town attending to business. He informed us that his neighbor, D. A. Fisher, had sold a tract of timber to Rowe Mellott, who is making preparations to put a mill on it and saw it out.

The symptoms of kidney trouble are urinary disorders, weak back and backache, rheumatism and rheumatic pains and twinges, pains in the groin, etc. There is nothing as good for kidney and bladder trouble as DeWitt's Kidney and Bladder Pills. You may depend upon them to give entire satisfaction. They are antiseptic, act promptly and soothe pain. Sold by Trout's drug store.

Scatter a little grain among litter at noon, and give a full feed at night. What is meant by a full feed of grain is about a good handful for each fowl in the pen. A mixture of corn, wheat, oats, and barley, equal parts by measurement, makes an excellent mixture for winter.

There is a disposition to sit around and sleep in winter. Hens will drop into that habit if you do not help them to stir around and work for their living. That is why a scratching shed is good, and why plenty of litter keeps the fowls healthy.

The next time one of the children catches cold, give it something that will promptly and freely but gently move the bowels. In that way the cold will at once be driven out of the system. Ken nedy's Laxative Cough Syrup moves the bowels promptly and freely, yet gently, and at the same time heals irritation and stops the cough. It is especially good for children. Sold by Trout's drug store.

S. M. McElhaney, a former resident of Taylor township, in sending a check to advance his subscription to the NEWS to the last day of March 1913, says that he has been spending the last ten months in the San Louis valley, Colorado—the Valley of Sunshine and Pure Air. Mr. McElhaney says that the sun has shined brightly every day but one, since he has been out there.

If you want to keep your hair in a healthy condition be careful to always use a clean hair brush. Many bad cases of dandruff are due to carelessness in this matter. Directly the brush begins to look grimy, wash it in soda and water. Have the water nearly boiling and "pat" it with the bristles. Be careful that the back of the brush does not get wet, as it ruins the polish. When quite clean, rinse in warm water, then let stand for ten minutes in clean cold water and leave in the air to dry. Don't put the brush to dry in the sun or too near the fire or the bristles will turn yellow. If the back has been damp, rub with sweet oil the polish.

**The County Institute.**

The Teachers' County Institute, which was in progress when we went to press last week, closed Friday noon, after a series of very successful meetings. The weather during the entire week was perfect, and the attendance of teachers and the general public was up to high-water mark all week. The evening lecture course drew large audiences, and on Thursday night, the large auditorium of the Public School Building was not nearly sufficient to accommodate the number who applied for admission. Tickets, the regular price of which was fifty cents, brought anywhere from 75 cents to two dollars—so anxious was the public to hear the Concert Company.

The County institute grows in popularity with each succeeding year; and, of course, each costs more than its predecessor. In order to provide against the increased cost of lectures and entertainers, the teachers enrollment fee has been placed at two dollars for next year.

**No Wonder She's Cross.**

The woman who has a thousand petty cares and annoyances while she suffers with headache or side aches must not be blamed if she cannot always be angelically amiable. What she needs is thoughtfulness from her family and such a simple and natural remedy as Lane's Family Medicine, the herb tea that makes weak women strong and well. Sold by druggists and dealers, 25c.

**Like a Letter From Home.**

In sending a dollar to renew his subscription to the NEWS for another year, J. W. Bowman, of Illinois, better known, perhaps, to his Fulton county friends as Wesley Bowman, says that the NEWS is like a letter from home, and its weekly visit in the family every week is hailed with delight. What is true in Mr. Bowman's family is true in thousands of other homes. In puzzling your brain what to give this year as a Christmas present, you cannot invest a dollar that will yield so much pleasure to the one receiving the gift—a gift that will yield pleasure during a whole year—as to have the NEWS sent to a son or a daughter, a brother or a sister, or to some other relative or friend. It will be like sending them a letter from home every week.

**Looking Ones Best.**

It's a woman's delight to look her best but pimples, skin eruptions, sores and boils rob life of joy. Listen! Bucklen's Arnica Salve cures them; makes the skin soft and velvety. It glorifies the face. Cures Pimples, Sore Eyes, Cold, Sores, Cracked Lips, Chapped Hands. Try it. Infalible for Piles. 25c at Trout's drug store.

# Smokeless

Until science discovered a way to construct the Automatic Smokeless Device, and make it completely dependable, all oil heaters had one common great fault—smoke.

With the advent of the Automatic Smokeless Device, and its practical application to the

## PERFECTION Oil Heater

(Equipped with Smokeless Device)  
the smoke problem was successfully solved.

The Perfection Oil Heater is the only heater equipped with this

### Automatic Smokeless Device

which insures a steady, full-glowing heat, with the wick turned up as high as it will go, without a shred of smoke. Reverse the motion, turn the wick down—there's no odor. The smokeless device automatically locks and prevents the upward movement of the wick beyond the proper exposure. That is the secret. This splendid result gives leadership to the Perfection.

You may now have all the heat you want—when you want it—and where you want it—without the annoyance of smoke or odor. Brass font holds 4 quarts of oil, which permits a glowing heat for 9 hours. Brass wick tube—damper top—cool handle. Cleaned in a minute. The Perfection is beautifully finished in Nickel or Japan.

One hundred American bunting flags are distributed every week to the successful contestants. Flags are 36 inches wide by 60 inches long. The stripes are sewed, not printed, in fast colors. The prize Jig Saw puzzles are interesting to grown ups as well as to the little ones. They are a great fun and amuse for hours. Order "The Philadelphia Press" and solve the puzzles.

**Another Evil.**

"Dear me," sighed the fond mother, "I don't know what the children of the future are coming to. I bought my youngsters a toy automobile and they ran over the cat, smashed two vases and rubbed all the paint from the parlor chairs."  
"But I thought you took the automobile away from them!"  
"So I did; and now they have bought a toy aeroplane and scraped all the paper off the ceiling and upset the canary's cage."
