Rich Men's Gifts Are Poor besides this: "I want to go on record as saying that I regard Electric Bitters as one of the greatest gifts that God has made to women, writes Mrs. O. GOOD OUTFIT FOR SPRAYING.

Should Not Cost More Than Fifteen or Sixteen Dollars.

The Master of a Grange, located in Jefferson county, wrote to Professor H. A. Surface, the State Zoologist, Harrisburg, Pa., for information as to the cost of a spraying outfit. He mentioned a double-acting sprayer with 25 feet of hose and a ten-foot extension pole, as about the kind of an outfit that the members of his Grange would want. As different members had determined to procure the necessary apparatus for spraying their trees, the information was requested to be given before the next meeting of the Grange.

The cost of spraying apparatus is a question which has agitated quite a good many farmers, some of whom have deferred caring for their trees and permitted the San Jose scale to do great damage, because of the idea that an outfit is expensive. The letter of Professor Surface, therefore, in reply to the one received from the Grange, will be of general interest. Following is a copy of the letter:

"Replying to your recent letter, I think you can get a spraying outfit such as you mention, for about fifteen or sixteen dollars. I would recommend the following as a complete outfit with the pump: two 12 1/2 ft. sections of hose (making twenty-five feet) with hose connections complete; a 10-foot pole, or extension rod; a stop-cock or shutoff at the pump, and another between the hose and extension rod; an eighth-turn to go on the far end of the extension rod; a "Y" attachment which will carry two nozzles; and two good large nozzles of the "Mistry Jr." or "Friend" or "Brown" type. I believe that the upright lever sprayer will prove more satisfactory than the ordinary barrel pump. It will not cost much more, and will give higher and even pressure, with less labor. You can buy such apparatus from various firms, as for instance: The Goulds Mfg. Co., Seneca Falls, N. Y.; The Deming Co., Salem, O.; The Field Force Pump Co., Elmira, N. Y.; The Spray-Motor Co., Buffalo, N. Y.; Morrill and Morley, Benton Harbor, Mich.; E. C. Brown and Co., Rochester, N. Y.; F. E. Myers & Bro., Ashland, O., and other reliable firms who are advertising in the various horticultural and agricultural papers. I would recommend that you communicate with each of these immediately and obtain prices, and, if possible, get Grange Club prices, which will doubtless give you very considerable discount.

"Any agricultural or horticultural organization can obtain from those companies giving them, the Grange discounts mentioned above."

Stung For 15 Years by indigestion's pangs—trying many doctors and \$200.00 worth of medicine in vain, B. F. Ayscue of Ingleside, N. L., at last used Dr. King's New Life Pills, and writes they wholly cured him. They cure Constipation, Billiousness, Sick Headache, Stomach, Liver, Kidney and Bowel troubles. 25c at Trout's drug store.
