No Man is Stronger

Than His Stomach

A strong man is strong all over. No man can be a rong who is suffering from weak stomach with its consequent indigestion, or from some other discusse of the stomach and its associated organs, which impairs digestion and nutrition. For when the stomach is weak or discased there is a loss of the nutrition contained in food, which is the source of all physical strength. When a man "doesn't feel just right," when he doesn't sleep well, has an uncomfortable feeling in the stomach after eating, is languid, nervous, irritable and despondant, he is losing the nutrition needed to make strength.

Such a man should use Dr. Pierce's Golden Medical

Such a man should use Dr. Pierce's Golden Medical Discovery. It cures diseases of the stomach and other organs of digestion and nutrition. It enriches the blood, invigorates the liver, strengthens the kidneys, nourishes the nerves, and so GIVES HEALTH AND STRENGTH TO THE WHOLE BODY.

Kidney

BURDENS LIFTED FROM BENT BACKS

Weary is the back that bears the burden of kidney ills. There's no rest nor peace for the man or woman who has a bad back. The distress begins in early morning. You feel lame and not refreshed. It's hard to get out of bed. It hurts to stoop to tie your shoes. All day the ache keeps up. Any sudden movement sends a sharp twinge through the back. It is torture to stoop or straighten. At night the sufferer retires to toss and twist and groan. Backache is kidney ache-a throbbing, dull aching in the kidneys. To cure backache you must first cure the kidneys. Plasters or liniments won't do. You must get at the cause, inside.

DOAN'S KIDNEY PILLS CURE SICK KIDNEYS

BACKACHE, DIZZINESS, NERV-OUSNESS Completely Relieved by Doan's Kidney Pills in Two Tests.

Mrs. P. W. Bessinger, 1328 Taylor St., Columbia, S. C., says: "I heartily recommend Doan's Kidney Pills, knowing from experience that they are a valuable remedy. Several years ago I suffered severely at times from pains in the small of my back and often felt dizzy and nervous. The kidney secretions were irregular in passage and caused me much annoyance. Hearing Doan's Kidney Pills highly recommended I procured a supply, and after taking the contents of several boxes I was so greatly relieved that I considered it unnecessary to continue their use. Recently I felt a slight recurrence of my trouble, but I immediately began using Doan's Kidney Pills and was relieved."

HOW TO TELL WHEN THE KIDNEYS ARE DISORDERED.

PAINFUL SYMPTOMS - Backache, sideache, pains when stooping or lifting, sudden sharp twinges, rheumatic pains, neuralgia, painful, scanty or too frequent urination, dizzy spells, dropsy.

URINARY SYMPTOMS—Discolored or cloudy urine. Urine that contains sediment. Urine that stains the linen. Painful passages. Blood or shreds in the urine. Let a bottleful of the morning urine stand for 24 hours. If it shows a cloudy or fleecy settling, or a layer of fine grains, like brick-dust, the kidneys are disordered.

ble Disappeared For Good.

J. A. Wirt, Russell St., Canisteo, N. Y., says: "I had kidney and bladder trouble for more than a year. My back was lame and I had an ache across my kidneys day and night. For days at a time I could not stoop or lift, and if I attempted to do so sharp shooting pains radiated through my body. The kidney secretions were unnatural and there was much sediment in them. The pussages were also too frequent and caused me much annoyance. Having Doan's Kidney Pills brought to my attention I obtained a box. Their use brought relief in a few hours, and the contents of four boxes completely cured me. At that time I told of my experience in a public statement, and can now say that during the years which have since elapsed I have found Doan's Kidney Pills effective whenever I have taken them."

His health began to improve at once for the reason that a meat eater will reach a place once in a while where his system seems to become clogged and the machinery doesn't work smoothly.

A change of this kind puts aside food of low nutritive value and takes up food and drink of the highest value, already quickly digested and capable of being quickly changed into good, rich blood and strong tissue. A most valuable feature of Grape-

Nuts is the natural phosphate of potash grown in the grains from which it is made. This is the element which transforms albumen in the body into soft gray substance which fills brain and nerve centres. A few days' use of Grape-Nuts will

give one a degree of nervous strength well worth the trial.
