You Can Have a Model Kitchen

New Perfection Oil Cook-stove

Boils, bakes, or roasts better than any range. Ready in a second. Extinguished in a second. Fitted with Cabinet Top, with collapsible

rests, towel rack, and every up-to-date feature imaginable. You want it, because it will cook any dinner and not heat the room. No heat, no smell, no smoke, no coal to bring in, no ashes to carry out. It does away with the drudgery of cooking, and makes it a pleasure. Women with the light touch for pastry especially appreciate it, because they can immediately have a ouick fire, simply by turning a handle.

No half-hour preparation. It not only is less trouble than coal, but it costs less. Absolutely no smell, no smoke; and it doesn't heat the kitchen.

blue of the enameled chimneys, makes the stove ornamental and attractive. Made with 1, 2 and 3 burners; the 2 and 3-burner stoves can be had with or without Cabinet.

Chester County Farmers Happy. West Chester.—The farmers of Chester County were never in better spirits than they are now. The wheat and grass never looked as fine, and the cattle are already out in the meadows and pastures. In spite of the frosts the fruit trees are full of young fruit, and berries promine a big crop. Most of the corn has been something as a big crop. Most of the corn has been something as a big crop. Most of the corn has been something as a big crop. Most of the corn has been something as a big crop. ise a big crop. Most of the corn has been planted, and there is an un-usually large acreage of potatoes planted. The season is fully three weeks ahead of time, and vegetation is as far advanced as it usually is by the middle of May.

Investigate Cigarette Sales. Media.—Although Media is a Pro-hibition borough, the temperance meetings are not as well attended as those interested in the cause believe they should. At a meeting of the W. C. T. U. the question arose as W. C. T. U. the question arose as to why the attendance is so small.

Miss Mary Gibbons ascribed it to the fact that so many beer wagons enter the borough. The W. C. T. U. decided to investigate the sale of cigarettes to minors.

Tube Company Raises Wages. Pittsburg.—Following the an-nouncement of a wage raise by several subsidiary companies of the United States Steel Corporation comes that of the National Tube Company, which has posted notices that all employees' wages will be advanced. The amount will be from one to six per cent. A higher rate also will affect day laborers, who will be paid \$1.75 instead of \$1.60

Mayor Imposes Unique Sentence. Hazleton.-Mayor Bruch imposed a unique sentence on five boys brought before him on the charge of

removing brass letters from store show windows. He fined each two dollars and gave them an indefinite time in which to settle. They must report to him every Monday evening and pay at least one cent until the entire amount is made good. Confederate Stamp Carries Mail.

Berwick.—Forty-five years after the close of the Civil War, a letter mailed by a former Union soldier from Newport News, Va., to Mrs. James Bowman, of Berwick, and bearing a Confederate stamp, man-aged to get through the United States

mails and was safely delivered here

18 Cents A Day For Postmaster.
Saltsburg.—A job paying 18 cents a day is offered by the United States a day is offered by the United States Government to any one who wishes to become postmaster at Wheatfield, near here. To permit the applicants to show their competency the Civil Service Commission will hold an ex-amination on May 7. Last year the postoffice paid \$64.

Noted Inventor Dead.

Noted Inventor Dead.

Easton.—John f. Kinsey, who for forty years was master mechanic of the Lehigh Valley Railroad Company's local shops, died at his home in this city, aged 82 years.

He was one of the best known mechanical engineers and inventors in this section and the locomotives built by him and which bore his name were considered the strongest and speediest type of their day. He invented a spark arrester for locomotives. Twelve years ago Mr. Kinsey retired from active work.

Cleaning Darby Of Dogs,

Darby.—While residents have been formulating plans for the extermination of stray dogs, the question has been partly cleared by the automobile. Within the last two weeks fourteen dogs have been killed by autos, which is at the rate of one a day, and many other stray bowwows have been rolled into the dust and so hadly frightened that they have never stooped running until they either struck the Philadelphia county line or Colwyn on one side or the confines of Sharon Hill Collingdale or Lansdowne on the other. Cleaning Darby Of Dogs,

Fights Rescuer.

feet below.

Alexander Morris jumped into the flood and rescued the man at the risk of his own life, Madonas resisting all the war ashore and then exclaiming as he was thrown upon the bank: the bank:

"Why didn't you let me die!"
The would-be suicide gashed his head and face on the rocks on the hed of the atream. Madonas shortly after his rescue made for the mountains, vowing he would make an end of his life this time.

Major Dougher Drowns.

Wilkes-Barre.—The body of Ed-ward J. Dougher, major of the Ninth Regiment, N. G. P., and an official of the local traction company, was of the local traction company, was found dead in a creek in Bradford Major Dougher went to Towards

to attend reunion exercises held by the Knights of Columbus of that Falling to return, a general alarm was sent out. How he came to mee-his death is a mystery.

Increase Surprises Men.

Hazleton.—The motormen and conductors on the Lebigh Traction line, the local trolley company, and the Wilkes-Barre & Hazleton Railway, the third-rail system, received notice of an increase of ten cents a day in their wages.

The advance came without solicitation and was a complete surprise

to the men. Mrs. Mary Mitchel Page Dies.

Mrs. Mary Mitchel Page Dies.

Lebanon.—Mrs. Mary Mitchel Page, widow of the late Robert J. Page, died at the home of her only son, Rev. J. Mitchel Page. Mrs. Page was the daughter of the late John Mitchel, the celebrated Irish journalist, author and nationalist. She was born in Dublin, in 1846, and during her childhood she shared exile with her father in Australia

Woman Fights Electric Plant,

Media.—Eliza C. Hartsel has be-gun suit in equity to prevent the Delaware County Electric Company from operating a distributing plant at Lansdowne, on property near that which she owns. She asks for an at Lansdowne, on property near that which she owns. She asks for an injunction, declaring the plant would be a detriment to her land, and would destroy its availability for dwelling houses.

Prohibitionists Nominate.

Chester. - The Prohibitionists of Delaware County have made the following nominations: Congress, John H. Paschall, of Concord; Legisla-ture, G. S. Pennock, of Lansdowne; Jacob R. Jordan, of Prospect Park, and John Macadam, of Chester.

Held For Girl's Death.

Lebanon (Special)-Coroner Light inquest over the body of Edna Walters, aged 19 years, of North Annville Township. The girl Edna North Annylle Township. The girl died on Sunday of peritonitis, the result of kicks alleged to have been administered by William Jennings, who employed her as housekeeper.

The jury returned a verdict that the girl's death was due to kicks and held Jennings responsible for her death. He is held in jail without ball

is survived by a widow

Young Inspector Killed By Train. Altoona.—The body of Charles Berrang, a railroad car inspector of this city, was found on the railroad. twelve mile; west of this city He visited a brother at Cresson, and it is supposed he fell from a train on the return trip and was run over. He was aged 24 and is survived by his wife and two children.

Engine To Fight Mine Fires.

Scranton.—The latest acquisition of the Susquehanna Coal Company is a chemical fire engine for extinguish ing inside mine fires. One of the practical features of the engine is that it can be adjusted to run on a track of any width. The engine may be transported by any motive power, by an electric or compressed air locomotive or by mules

Another Industry For Chester.

Chester .- Another industry is to Chester.—Another industry is to be located in this city. The Robert D. Clark Thread Company, capitalized at \$50,000, is looking for a suitable building site. When the plant is in operation employment will be given to 200 persons. Charles H. Gressy, of Philadelphia, will be associated with the new concern.

Bar Pictures From Armories.

Doylestown.—Because of a sweep ing ruling of the Armory Board, moving picture shows have been discon-tinued in the new armory of Com-pany G. The board issued an order against having projecting machines in any armories.

Thousand Men Get Increase Berwick.—A 10 per cent. increase for the night shift of the Berwick plant of the American Car & Foun-dry Co. has been announced, to affect 1000 men.

Dates For Chester Heights Camp. Media.—The annual Methodist camp meeting will open at Chester Heights on July 27 and close on Monday night, August 6. District Superintendent E. E. Burris will be spiritual director and Rev. J. Edwin Jones, musical director.

Dr. Raymond H. Koch Dies

Easton.—Dr. Raymond H. Koch, of Martin's Creek, died of diphtheria, aged 27 years. He formerly resided at Wescoeville, Pa., and was a graduate of the Medico Chi. College, Philadelphia.

A TERRIBLE EXPERIENCE

So Weak From Kidney Trouble He Could Hardly Stand.

John McKay Williams, Bedford City, Va., says: "For two months 1 suffered from sharp pains across the small of my back

ble disappeared. I have had no return of it up to now." Remember the name-Doan's. For sale by all dealers. 50 cents a box. Foster-Milburn Co., Buffalo, N. Y.

How He Got Even.

A traveling man who stutters spent all afternoon in trying to sell a grouchy business man a bill of goods, and was not very successful. As the salesman was tocking up his grip the grough was impolite enough to observe in the presence of his clerks: "You must find that im-

pediment in your speech very inconvenient at times." 'Oh, n-no," replied the salesman. "Everyone has his p-peculiarity. S-stammering is mine. What's y-youra?"

"I'm not aware that I have any."
replied the merchant.
"D-do you stir y-your coffee with
your r-right hand?" asked the sales-

man. "Why, yes, of course," replied the merchant, a bit puzzled.
"W-well," went on the salesman,
"t-that's your p-peculiarity. Most people use a t-teaspoon."-Success.

Persons born in spring are said to have a more robust constitution than those born at other seasons.

A Clean Man

Outside cleanliness is less than half the battle. A man mey scrub himself a dozen times a day, and still be unclean. Good health means cleanliness not only outside, but inside. It means a clean stomach, clean bowels, clean blood, a clean liver, and new, clean, healthy tissues. The man who is clean in this way will look it and act it. He will work with energy and think clean, clear, healthy thoughts.

clean, clear, healthy thoughts.

He will never be troubled with liver, lung, stomach or blood disorders. Dyspepsia and indigestion originate in unclean stomachs. Blood diseases are found where there is unclean blood.

Consumption and bronchitis mean unclean lungs.

Dr. Pierce's Golden Medical Discovery

prevents these diseases. It makes a man's insides clean healthy. It cleans the digestive organs, makes pure,

clean blood, and clean, healthy flesh. It restores tone to the nervous system, and cures nervous exhaustion and prostration. It contains no alcohol or habit-forming drugs.

Constipation is the most unclean uncleanliness. Dr. Pierce's Pleasant Pel-
