

The Sheets Stage Line takes you to Mercersburg for 50 cents. Judges Humbert and Hoop held a short session of court Tuesday morning, attending to some minor matters that come up between terms.

50 cents pays the fare one way between McConnellsburg and Mercersburg. Sheets stage line.

C. D. Hixson is driving one of the Sheets stages between this place and Mercersburg. Charlie is an accommodating fellow, and will make a popular driver.

The Literary Society of the Burnt Cabins school will hold a festival Saturday, May 14th, on Mr. John Speck's lawn. Proceeds for benefit of the School Library. All are invited to attend.

Miss Jessie Truax, of Pleasant Ridge, takes this method of thanking her friends for the ninety-eight beautiful post cards which she received on her fourteenth birthday.

Scott Gordon, one of Thompson township's substantial farmers, is building a fine new barn to take the place of the one partially destroyed by the Johnson Flood. The structure was "raised" Tuesday.

The term "farmer" used to be regarded by some people as a word of opprobrium. Now every one who bears the title is proud of it, and there are millions of others who would be glad to bear it.

Mrs. Miriam Mellott, of Needmore, feels very grateful to the one-hundred-and-seventy-eight friends who so kindly remembered her with that number of beautiful postcards on the occasion of her seventy-eight birthday.

Any one desiring to be postmaster at Locust Grove, should attend a Civil Service examination at the Siding Hill postoffice on Saturday, the 11th day of June. The salary last year was 69 dollars. Age limit, 21. Application forms and full information concerning the requirements of the examination can be secured from the postmaster at Locust Grove, Pa.

With Senator Alexander, afflictions, like troubles, do not come singly. For the past eighteen months he has been suffering with rheumatism, and now he is afflicted with an abscess on the cornea of the left eye, and has been in Philadelphia for treatment for the past two weeks. He is also taking electrical baths and massage in the German Hospital for his rheumatism. He reports improvement all around, and expects to be home soon.

Editor Smith M. Robinson, who was elected to the office of Justice of the Peace in February, has received his commission, has been sworn in, and he is now ready for the transaction of any business that may come his way. Mr. Robinson is not a new man at the business, as he served as justice of the peace in this borough several years ago, and is entirely familiar with the details of the office work. His office is two doors west of Albert Stoner's store, but Mr. Robinson may usually be found at the Democrat printing office, or at his residence on west Water street.

An eminent scientist claims there are two billion microbes in a ten cent dish of ice cream. Isn't it a shame for big healthy young men to insist on feeding the fair and innocent damsels of McConnellsburg on any such dope as that.

A REGULAR TOM BOY
was Susie—climbing trees and fences, jumping ditches, whittling always getting scratches, cuts, sprains, bruises, bumps, burns or scalds. But laws! Overcooked Food.
Much good, wholesome food is practically wasted by being overcooked. Overcooking is the principal objection to canned meats, because food that is otherwise excellent in quality has been spoiled in the process of cooking, and has, therefore, become practically unfit for use. Meat must be cooked to a certain point, but once that point is reached further cooking is downright waste of material, both as regards quality and quantity. Good food is often spoiled by two rapid cooking. Meat which is allowed to boil after the preliminary five minutes becomes hard, tough and tasteless, and is almost indigestible, owing to the hardening of the albumen all through the meat.

LION FONDLER A CHILD.
In Pittsburg a savage lion fondled the hand that a child thrust into his cage. Danger to a child is sometimes great when least regarded. Often it comes through Colds, Croup, and Whooping Cough. They slay thousands that Dr. King's New Discovery could have saved. "A few doses cured our baby of a very bad case of Croup," writes Mrs. George B. Davis, of Flat Rock, N. C., "We always give it to him when he takes cold. Its a wonderful medicine for babies." Best for Coughs, Colds, LaGrippe, Asthma, Hemorrhages, Weak Lungs. 50c \$1.00 Trial bottle free. Guaranteed by Trout's drug store.

MRS. A. F. LITTLE'S
Summer Millinery.
Easter, 1913, has come and gone, and with it winter and spring millinery.
The Good Old Summer Time, is here, with its wealth of flowers and fruits, and the discriminating buyer wants her hat trimmed in unison with the season.
It was to meet this demand that we made the second trip to the eastern cities, and are now busy unpacking and marking the finest, freshest, and most up-to-date millinery attractions it ever has been our pleasure to offer.
"Just too lovely for anything" is the involuntary expression of every one who sees them.
Maybe you want a large hat. We have them—just what you want.
Then, our flowers and fruits and ribbons and all that go toward making seasonably trimmed hats. Peaches, apricots, grapes, cherries so natural that they fool the robins.
Then, finally and lastly, the price is right. Just about half what you would have to pay if you went to Harrisburg or Philadelphia; and it would not be a bit better in quality or style either.
