uck, Minn.

Consider This Advice.

No woman should submit to a surel. ing successfully fought by the State cal operation, which may mean death, until she has given Lydia E. Pinkham's in the homes of the poor, and how Vegetable Compound, made exclusive-ly from roots and herbs, a fair trial. mic conditions of this class is being accomplished, was told here by

This famous medicine for women has for thirty years proved to be the most valuable tonic and invigorator of the female organism. Women residing in almost every city and town in the United States bear willing testi-mony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound. It cures female ills, and creates radioyant female health. If you are ill, for your own sake as well as those you love, give it a trial.

Mrs. Pinkham, at Lynn, Mass. invites all sick women to write her for advice. Her advice is free, and always helpful.

A Prize Cow.

Census takers of Long Island have ideas which help them to give a good account of our property. An enumerator called at the fine home of William M. Baldwin, a manufac-turer, in Garden City, and finding none of the family there, proceeded to gather information from a visiting relative.

"Have they a cow?" asked the census man. 'They do have a cow," was the

reply, "but all I know about it is that it gives good milk." "What would you say such a cow was worth?"

'Really, I haven't an idea." "Don't you suppose it is worth

shouldn't wonder. So the Garden City cow has been set down at \$200, which is as good a showing as Long Islanders could ask, considering the fact that the prize-winning cow at the last Mine-bla fair sold for only \$90, and cows are now selling for \$65.—Brooklyn Eagle

Campaigning For Roads.

Knights Of Malta. Reading.—At the session of the Grand Commandry of the Haishie of Malta, there was considerable dis-cussion on the home and bespital to be erected and maintained by the Order at Granville, Center County, and arrangements were made to go abead with the project as goon as possible. A piece of ground contain-ing 180 acres, located adjacent to the village of Granville, was pur-chased last year for \$6,000. The Home Association was chartered on September 22. The committee on the "I'll never forget the night I called on the Widow Yarn. She owned forty acres on the main road which I hoped to have improved. In practically every house in the county I had been hospitably received because I was a human being. A ploneer citizen, member of the Good Roads Club, took me in a carriage to see the widow. "I'll watch the horses," this wise old citizen said.

"I don't know what would frighten September 22. The committee on the them," I suggested, but he seemed to home made quite a lengthy report to the Grand Commandery which was expect a brass hand or some other unusual sight, although it was eight The Finance Committee reported o'clock at night. I soon knew why the following estimated expenses of the Grand Commandery for the gahe preferred to sit out there in the cold.

"Mrs. Yarn, I believe?" I began, ingratiatingly, when the door was opened
