#### THE PEOPLE'S FIGHTER.

During the session of the Legislature Representative Creasy, of Columbia, and the Democratic leader in the House, wrote a letter to the Bloomsburg Daily Dem ocrat on June 25, and among Johnston and wife, Chas. Smith other things said:

"The Ways and Means Committee had another stormy time and reported the horizontal tax bill with a negative recommendation. In the same committee a bill was considered to license oleo. Ex Senator Brown, Professor Hamilton, Representative

Focht of Union, Baldwin of Delaware, and Creasy of Columbia, made arguments against the bill. The oleo combination is powerful, but the bill cannot be reported out of the committee, but then the changes come very suddenly.

When it comes to fighting for the farmer there is no man in the House that takes a more determined stand than representative Focht, of Union."

Mr. and Mrs. Chas. Heiges, of York, and their little daughter Dorothy, left York, Pa., about 11 o'clock last Friday night in their automobile, and reached McConnellsburg about five o'clock Saturday morning. They spent the time from Saturday morning until Monday morning in the home of Aaron Clevenger and wife, when they, accompanied by W. S. Olevenger and his mother, drove over to Johnstown' to visit Mrs. Clevenger's sister, Mrs. Re becca Deshong, and returned to Journal. McConnellsburg Tuesday even-

Mary A. Beall, wife of Dr. A J. Remsburg, died at her home in Warfordsburg, on Thursday, May 26, 1910, aged 56 years, and 12 days. The funeral took place last Saturday, the services being conducted by Rev. Dr. Webster, of Hancock, Md.

Mrs. Remsburg was a daughter of the late Washington A. Beall, of Libertytown, Md., and she is survived by the following brothers: Mason E., Sand Point, Idaho; Marcellus, Charles H., Dr Ira, and Prof. Wallace-all of Libertytown, Md; also, by her husband and the following chil dren, namely, C.
