An automobile party composed of Mr. and Mrs. Edward F. Reiser and little daughter Elizabeth, Mrs. Reiser's mother, Mrs. Anna Montgomery, and Mrs. Montgomery's brother-in-law and sister Alfred Aughinbaugh and wife—all of Shippensburg, in Mrs. Aughinbaugh's big 40-horse power Studebaker, left their home at 1 o'clock Saturday afternoon, came around by Greencastle and Mercersburg, and arrived in McConnellsburg about five o'clock. They were guests of Ed's brothers Jacob and George in this place over Sunday and returned home Monday morning.

Our accommodating Huston town huckster friend George N. Sipes, brought something into our office Monday morning that made our mouth water—a watermelon. It was grown on his farm last year. Last fall when they were putting their sweet potatoes away for winter use, their little girl came with this watermelon and asked that it should be packed away with the sweet potatoes and kept for Christmas. When Christmas came, the watermelon was forgotten, and a few days ago when the box of sweet potatoes was being opened, there was the watermelon in as perfect condition as when packed away last fall.

Hayes Witter, of Pitcairn, Geo. W. Allen, of Pittsburg, and Lloyd Gracey, of Philadelphia, attended N. H. Alloway's funeral. It is probable that never were so many people packed in Center church as on that occasion.

Miss Belle Witter called at the home of the scribe and other friends in Taylor township, before leaving for the Smoky City.

Mrs. Wm. Knepper called at James Barnett's last Sunday to get acquainted with the new dish washer.

Charley Cutchall had a very nice trip to Harrisburg last week. Brinton Miller and wife were guests in the home of W. F. Berkstresser last Sunday.

Some very good natured boys set fire to A. N. Witter's fence a few days ago. I call such conduct devilishness.

L. L. Cunningham was able to be over on this side of the mountain to attend the funeral of N. H. Alloway. The next time LaGrip comes your way, you grip it before it has a chance to grip you.

MARVELOUS DISCOVERIES

mark the wonderful progress of the age. Air flights on heavy machines, telegrams without wires, terrible war inventions to kill them, and that wonder of wonders—Dr. King's New Discovery—to save life when threatened by coughs, colds, lagrippe, asthma, croup, bronchitis, hemorrhage, hay fever and whooping cough or lung trouble. For all bronchial affections it has no equal. It relieves instantly. Its the surest cure. James M. Black of Asheville, N. C., R. R. No. 4, writes it cured him of an obstinate cough after all other remedies failed. 50c. and \$1.00. A trial bottle free. Guaranteed by Trout's drug store.

Mr. and Mrs. Ahimaz Runyan, of Needmore, spent the time from last Friday until Sunday afternoon, visiting in the home of their son John B. Runyan in this place. While Mr. and Mrs. Runyan are not as young "as they used to be," they are looking well and enjoying good health.

Neighbors Gently Inquiring.

From the Mt. Union, Huntington County, Times, May 15th.

Dear Editors of the Times:—With your permission I would be pleased to have you publish the following article:

For several weeks the New Era Journal of Huntington, has been devoting considerable space in each issue booming up the candidacy of Wallace Wilson, of Alexandria, for Congress. Will the editor of the Journal please tell the Republican voters of Huntington county, and of the Seventeenth Congressional District, just who this man Wallace Wilson is? Is he a native of Huntington county? Was he born and raised at Alexandria? If so, what occupation did he follow in early life? Was he in business in Alexandria at any time prior to just the last few years? If not, what did he do? If not at Alexandria, what profession did he follow and where? Did he, for a while travel from place to place across the country? If so, what were his duties? Dear editor of the Journal, the Republican voters want to know something about this man Wilson's record during the past thirty years. Only a few Republicans in Huntington county ever knew there was such a man as Wallace Wilson, until the last five or six years since he has been connected with the Alexandria Electric Light Company. Is that alone sufficient to satisfy the Republican voters of the Seventeenth Congressional District, that Mr. Wilson is a well-fitted man to represent the district? The answer is, NO! And the Republicans don't propose to be hoodwinked.

They want to know more about Mr. Wilson; and some residents of Alexandria, his home town, have openly expressed themselves that they did not know that Mr. Wilson was a Republican, as the whole Wilson connection have been life-long Democrats. We are not prepared to answer the questions now being asked by the Republican voters. We will expect the New Era Journal to apprise the people of Mr. Wilson's record from boyhood up, as it can readily do, since Mr. Wilson himself, as we have learned, is a partial owner of the newspaper that has been boosting his interests.

REPUBLICAN VOTER.

Farmers' Institute.

The County Board of Farmers' Institute Managers, will meet at the County Commissioners' office on the second Tuesday of June, to arrange for the place where Institutes are to be held this season. All of our people who desire Institutes, ought to attend this meeting and present their claims. This Board is composed of the Local Members of the State Board of Agriculture, and one representative from each County Agricultural Society, the Pomona Grange and County Alliance. If you find that you cannot attend this meeting, address a letter with your request to Chairman of Board of Institute Managers, care of County Commissioners.

W. L. PATTERSON,

Chairman.

Don't Be a Ciam.

Written for the News.
We have learned to do things differently of late years. The old fighting spirit is fading out, and we are looking for what is right and what will be to our advantage. It does not take a mathematical calculation to see that if Wallace Wilson should be elected to Congress, we would get simply nothing in this congressional district; for a new member never does get anything, and the voters of other districts have gotten sharp, and keep their member in Congress as long as he is willing to stay. The people of Fulton County don't have all they would like, but they know some things, too, and they will prove that they read and think, by voting for Benj. K. Focht, who has represented this district only two terms, and has been a credit, and a well known Roosevelt Republican—who stands high, and has been tried and not found wanting. Let Mr. Wilson run his big Corporation. He has been a resident of the District only about five years, and does not know our wants. Vote for Benj. K. Focht.

**MRS. A. F. LITTLE'S
Summer Millinery.**

Easter, 1913, has come and gone, and with it winter and spring millinery.

The Good Old Summer Time, is here, with its wealth of flowers and fruits, and the discriminating buyer wants her hat trimmed in unison with the season.

It was to meet this demand that we made the second trip to the eastern cities, and are now busy unpacking and marking the finest, freshest, and most up-to-date millinery attractions it ever has been our pleasure to offer.

"Just too lovely for anything" is the involuntary expression of every one who sees them.

Maybe you want a large hat. We have them—just what you want.

Then, our flowers and fruits and ribbons and all that go toward making seasonably trimmed hats. Peaches, apricots, grapes, cherries so natural that they fool the robins.

Then, finally and lastly, the price is right. Just about half what you would have to pay if you went to Harrisburg or Philadelphia; and it would not be a bit better in quality or style either.

Just opposite the Postoffice, McConnellsburg.
