

Children's Day services at Siding Hill Christian church next Sunday morning at the usual hour for morning services.

A Union farewell service will be held in the Presbyterian church next Sunday evening at 7:30 in honor of Rev. and Mrs. Chas. Pittman, who sail on July 7th for Persia.

Last Friday, Mrs. George Sipes was up in a big cherry tree at their home near Hustontown picking cherries. The limb on which she was standing suddenly broke, and in falling she was thrown violently across another limb and was so seriously injured as not to be able to do any work since.

The many friends of Ex-County Treasurer George Snider are glad to see him on the street again. For almost a month he was confined to his home with pneumonia. He drove out to his farm in Ted township a few days ago, and was much surprised at the advance in vegetation made during the time he was indoors. While Mr. Snider is in his seventy-seventh year, he looks good for several years yet.

Luther Graves, who left Bethel township thirty-five years ago, and who is now a resident of Plainville, Kansas, has been spending the week with relatives in his old Pennsylvania home section. He was sent as a delegate to the General Assembly of the Presbyterian church recently held in Atlantic City, and after the adjournment of the assembly, visited his old home near Warfordsburg, and friends in various portions of this county.

George H. Unger, of Fulton County, near Webster's Mills, came across the mountain to spend a day and night in town. He had left home about one o'clock, climbed over by "Piker's Path," the stage overtaking him at the toll gate and by 12:20 he was in Mercersburg. He told me that everything seemed more advanced on this side of the mountain, that harvest would be two weeks earlier here, that cherries were just turning when he left home, and here they were ripe. Mr. Unger was born and raised in Fulton County, and resided at his present home for the past 25 years. He says that game is fast disappearing from the mountains, hunters having scared it nearly all away.—People's Register, Chambersburg.

**MARVELOUS DISCOVERIES**

mark the wonderful progress of the age. Air flights on heavy machines, telegrams without wires, terrible war inventions to kill them, and that wonder of wonders—Dr. King's New Discovery—to save life when threatened by coughs, colds, lagrippe, asthma, croup, bronchitis, hemorrhage, hay fever and whooping cough or lung trouble. For all bronchial affections it has no equal. It relieves instantly. Its the surest cure. James M. Black of Asheville, N. C., R. R. No. 4, writes it cured him of an obstinate cough after all other remedies failed. 50c. and \$1.00. A trial bottle free. Guaranteed by Trout's drug store.

**A GREAT ENTERPRISE COMES TO McCONNELLSBURG.**

Leslie W. Seylar Makes an Important Connection With the Largest Co-Operative Corporation in America, Backed by Men Doing an Annual Business amounting To \$75,000,000.

**THE PEOPLE OF McCONNELLSBURG BENEFITED.**

Leslie W. Seylar of this town, has with characteristic enterprise demonstrated his ability to keep well abreast of the times by connecting himself with the largest druggists' co-operation in America. The men connected with this enterprise do a yearly business aggregating over \$75,000,000, which well emphasizes its soundness and magnitude.

About three thousand retail druggists throughout the United States have organized themselves as a co-operative company for the purpose of producing a line of medical preparations which they recommend, absolutely guarantee and back up with their own names and personal reputations. The formulas of these remedies are thoroughly known to every one of these druggists and the ingredients of each will be truthfully described to the public and the remedies sold with the distinct understanding that their purchase price will be instantly refunded without question or quibble if they fail to benefit the user.

One thousand different formulas were turned over to the company. Each formula being selected because of its tested and proved value and established reputation, gained through continued and successful use by prominent physicians.

A research committee of expert chemists and physicians made a most thorough and exhaustive test of each one of these one thousand prescriptions until they had selected about three hundred as being the very best and most dependable known to medical science, each for the treatment and cure of a particular ailment.

These three hundred remedies are now manufactured by the company, which is known as the United Drug Co., Boston, Mass., in the largest, most modern and best equipped pharmaceutical laboratories in America.

The tremendous output of this company enables it to purchase drugs, herbs and other necessary material in very large quantities. The co-operation and professional advice of 3000 leading druggists guarantees the high quality of everything used and guarantees that only formulas of extraordinary merit are used in the manufacturing of their products.

The preparations of the company are shipped direct to the retail druggists who are connected with the enterprise. Thus their absolute freshness is assured, it is impossible for their quality to deteriorate, there are no middlemen's or jobbers' profits to be added to their cost, and the public can obtain these products at actual cost of manufacture, plus a single retail profit.

One noticeable feature of this

business, and a very commendable one, is that no one remedy manufactured by this company is a "cure all." Each one of the 300 different remedies is a known and dependable specific for a particular ailment. The confidence of the druggists interested in this enterprise is unquestionably demonstrated by this guarantee, which is printed on every package: "The United Drug Co., and The Rexall Store selling this preparation guarantee it to give satisfaction. If it does not go back to the store where you bought it and get your money—it belongs to you, and we want you to have it."

This is certainly an innovation that must appeal to the people of McConnellsburg. It insures safety and satisfaction because our own local druggist, Mr. Leslie W. Seylar, who is so well known and highly respected for his integrity, is connected with this enterprise and is staking his own personal reputation on the quality of these remedies, and the very frankness with which he takes the people of McConnellsburg into his confidence insures an unprecedented success for these remedies, which are sold under the trade name Rexall, which means King-of-all. From reports coming from thousands of towns and cities, the Rexall Remedies are certainly demonstrating their full title to the name.

Those who have previously refused to buy proprietary medicines because there was no way of ascertaining their ingredients, can now purchase Rexall Remedies the formulas of which they can have for the asking. Besides, they are sold by a concern personally known to you and located right here in our own city, who guarantees that they are in every way as represented or they will cost nothing.

Rexall Dyspepsia Tablets are one of the first of the three hundred remedies which are being introduced. Anyone in McConnellsburg who suffers from stomach derangement, indigestion or dyspepsia should not hesitate to try this Rexall Remedy when they are so highly recommended backed with such a strong guarantee.

Mr. Leslie W. Seylar is so well and favorably known for his sterling honesty and square dealing that we predict a great success for him with the Rexall Remedies, and he is to be heartily congratulated in bringing this great and modern business enterprise to McConnellsburg.

We urge all who may be in need of prepared medicines to call on Mr. Leslie W. Seylar and learn about the Rexall Remedies. Of this sort should be encouraged.

**WEST DUBLIN.**

The funeral of Stella Stevens daughter of William Stevens and wife, at Fairview on Sunday afternoon was attended by a large congregation of friends and relatives. Mr. and Mrs. Stevens have the sympathy of their friends in this bereavement, and trust that He who doeth all things well may be their stay at this time.

Edwin S. Clevenger and Harry Bowen, of Pittsburg, are visiting the family of Hiram Clevenger.

Some of the farmers have begun haying.

The Laidig Baseball Team crossed bats with the McConnellsburg team at the County Capital on Saturday and allowed themselves to be defeated by a score of 5 to 3.

Mrs. Joseph Edwards still continues ill with typhoid fever. Luella Laidig, of Minersville, is visiting relatives in this township.

Miss Fannie R. Strait, of Lucking Creek township is at the Ardsale hotel in Bedford during the season.

**Good Place to Live.**

From People's Register. "A man can live on \$5 a week better and longer in Fulton county, than he can in Pittsburg or any big city for \$20 a week," remarked W. B. Anderson, of Knobsville, who was in town Wednesday, he having come across the mountain on Friday, spending that day and Saturday with his daughter, Mrs. Blanche Rotz, at Altenwald, and Sunday with his sister, Mrs. Crouse, in Waynesboro. Mr. Anderson learned his trade in the Frick shops, and has worked as machinist in that town and in Pittsburg; but his health failing him, he bought a small place in Fulton county, where he works at carpentering, machinist, gardner, etc.

Mr. Henry Garland and son A. D. Garland, of Needmore, were in town last Friday on business. After having spent four years in the furniture business in Fort Royal, Va., Henry came back to his farm near Needmore, and is now living that life in independence, that only a farmer knows the meaning of.

**HORSE SALE**

At the City Hotel, McConnellsburg, Saturday Afternoon at 1 o'clock.

A carload of fine Rancho Horses will be sold at the City Hotel, McConnellsburg, Saturday, July 2, 1910, at 10:30 o'clock. This stock is good size and exceptionally fine. Credit 6 months. FORBES & FORNEY.

**Trespass Notices For Sale.**

Many persons are being annoyed at this time by people running after fruit and indiscriminately tramping down grass and grain and injuring other growing crops. Farmers and others, as a rule do not wish to prosecute for this offense, but they feel they must have protection from loss in this way. It is not so much the fruit taken as the damage done in other ways. We print and have for sale a trespass notice, under which the owner of the land may sue for trespass and the violator of the law fined. So it is best not to venture on advertised grounds without permission.

**Notice to Contractors.**

Sealed bids will be received by the Belfast township School Board for a School House at Needmore. All bids to be handed to the undersigned by 1 o'clock, July 9, 1910.

Specifications can be seen with secretary. MILTON MELLOTT, Sec'y. 6-23, St. Sipes Mill, Pa.

**Help Your Home Newspaper.**

Every newspaper wants to publish the news. The better the paper the more prosperous it will be. Local news items are especially hard to run down. How many times have you, dear reader, been approached by the news paper man for an item of news and told him you knew nothing of interest. Probably at the time your family were away on a visit or some one from out of town was visiting at your home. Of course, you didn't mean to receive the scroes, yet when you receive your paper you wonder why your family or friends were not mentioned. A good way to avoid all of this is to kindly inform us of the facts or drop a note in the postoffice to the paper. The one item may not amount to much, but several columns of such news is the life of a local paper.

**\$15 Reward.**

Owing to the fact that the undersigned has been having bee trees cut and destroyed; has been having his peaches stolen year after year, and this year, his cherries stolen and the trees cut to pieces and destroyed, he will pay a reward of FIFTY DOLLARS for the arrest of parties trespassing on his farm and cutting bee trees, stealing fruit and destroying trees, and for information that they were the parties that did the damage. The farm is known as the old Bishop farm along Scrub Ridge mountain adjoining farms of Joseph B. Mellott and Elias Wink, and is occupied by Austin Lake as tenant. 6-23, St. WALKER MELLOTT.
