The Lash of a Fiend

would have been about as welcome to A. Cooper of Oswego, N. Y., as a merciless lung racking cough that defied all remedies for years. "It was most troublesome at night," he writes, "nothing helped me till I used Dr. King's New Discovery which cured me completely. I never coughed at night now." Millions know its matchless merit for stubborn colds, obstinate coughs, sore lungs, la grippe, asthma, hemorrhage, croup, whooping cough, or hay fever. It relieves quickly and never fails to satisfy. A trial convinces. 50c. \$1.00. Trial bottle free. It's positively guaranteed by Trout's drug store.

The cemetery connected with the Presbyterian church in this place, has been greatly improved within the past few weeks by lowering the fence around it about three feet and giving it a coat of whitewash, and cleaning the grass and weeds off the graves. It has made quite a marked improvement in the appearance of the cemetery. If the tombstones, many of which are leaning, were straightened, it would greatly help the looks of "God's Acre."

The Farmer and His Banker

Our bank never fails to give as good service to the farmer as it gives to any business man. As a matter of fact few banks could exist in this day and age of the world without the co-operation of the farmers. Often a farmer can make money by borrowing. Do not hesitate to call on us when you want money. We welcome a responsible borrower quite as heartily as a substantial depositor. It will pay every farmer to carry a checking account with us. Why not come in and talk it over with us to-day? Accounts may be opened by mail and monies deposited or withdrawn in this way with equal facility. We make a specialty of serving the farmer.

We Pay 3 Per Cent. Interest.
