THE DOCTOR'S QUESTION.

Much Sickness Due to Bowel Disorders.

A doctor's first question when consulted by a patient is, "Are your bowels regular?" He knows that 98 per cent. of illness is attended with inactive bowels and torpid liver, and that this condition must be removed gently and thoroughly before health can be restored.

Remall Orderlies are a positive, pleasant and safe remedy for constipation and bowel disorders in general. We are so certain of their great curative value that we promise to return the purchaser's money in every case when they fail to produce entire satisfaction.

Remall Orderlies are eaten like candy, they act quietly, and have a soothing, strengthening, healing influence on the entire intestinal tract. They do not purge, gripe, cause nausea, flatulence, excessive looseness, diarrhoea or other annoying effect. They are especially good for children, weak persons or old folks. Two sizes, 25c. and 10c. Sold only at our store—The Remall Store. Leslie W. Seylar.

WEST DUBLIN.

Those who attended these services were well pleased with the sermons.

Our farmers have been threshing buckwheat the past week. The crop is rather small and likely the price of the cakes will need to be increased or their size diminished.

Local Institute.

The first local institute of Brush Creek township was held at Oak Grove school Friday evening Sept. 30th. The meeting was called to order by the teacher, Grant F. Spade, after which S. E. Walters, president of the local institute committee, took charge. Questions: 1 What constitutes a good school? 2 Advantages of a good school to a community. 3 Schoolroom freedom, were thoroughly discussed by the teachers present. Teachers present were Chester Spade, Homer Akers, S. E. Walters, Grant Spade, and Ella Barton. Two directors from the township, and a number of patrons of the school were present.

A number of songs and recitations were well rendered by the school. Adjourned to meet at Buchanan school, October 21 1910.—Ella Barton, sec'y.
