ONE HUNDRED YEARS AGO.

What Has Been Wrought by Inventor In a Century.

Here are a few tacts taken from the Household Journal which show how much more life is today than in "the good old days" about which we hear.

Not until February of 1812 did the people of Kentucky know that Madison was elected President in the previous November.

In 1834 one of the leading rail roads of the United States print ed on its time table:-"The loco motive will leave the depot every day at ten o'clock if the weather ments, according to "The Phila-15 fair."

The first typewriter was received by the public with suspicion. It seemed subversive of who took one into a court room first proved its real worth.

Birthday Surprise Party. Saturday, Oct. Sth. Samuel C. Henry, having reached his tweuty-sixth birthday, his sister Lilluan planned to give him the surprise of his life by having his many friends call, and spend the evening in any amusements they saw fit, suitable to the occasion Consequently about eight o'clock automobiles, buggies, and backs began to arrive loaded to

their fullest capacity until Sam uel began to think there was a funeral in town, but after scruinnizing their countenances he found too much hilarity written to warrant such a conclusion. Then he became wise to the siteation.

Those present from Saltillo were: Nannie Sollers, May Mort, Edward Kimmel, Edgar Weaver, John and Harold Swope and Marion McNeil; from Selea, Golda and Blanche Harnish Rose Roher John Harnish and Newville Selers; from Maddensville, Reba and Lou Brown, Freda Ashton, Pearl Booth, Bertha Locke, Rose Mort, Raymond Brown, Lorrame Ashton, and Ewell Locke; from Clear Ridge, Dora Baker, Irene Kerlin, Minnie Grove, Nelle Baker, Lillian Henry, Clarence A. Chas. D. and Smuel C. Henry, L.

Here Are Facts We Want You to Prove at Our Risk.

Marvelous as it may seem, Rexall "93" Hair Tonic has grown hair on heads that were once bald. Of course, in none of these cases were the hair roots dead, nor had the scalp taken on a glazed, shiny appearance. Rexall "93" Hair Tonic acts scientifically, destroying the

germs which are usually responsible for baldness. It penetrates to the roots of the hair, stimulat ing and nourishing them. It is a most pleasant toilet nesessity, is delicately perfumed, and will not gum or permanently stain the
