Andrew A. Gochenauer of Marietta, has purchased an old relic from John M. Long of Manheim. It is a carriage which formerly belonged to President Buchanan, who lived near Lancaster. Long had the carriage forty-five years. Buchanan and Thaddeus Stevens took many rides in it. The Hagerstown Fair which seems to be growing in popularity and importance with each succeeding year, eclipsed last week any of its former records. The display was greater, and the attendance, which on Thursday, was estimated at 85,000 people, was the largest in the history of the association.

Mr. George Wilds, of Fort Litleton, sent a box of strawberries to this office Monday which were just as ripe and nice as any we saw during the earlier part of the season. Mr. Wilds says he gathered them on his farm where they grow wild, and that there are plenty of blossoms for a third crop. California will not be in it if Fulton County keeps on again. George B. Sipes, of Licking Creek township, is the possessor of a walnut chest that is something of a curiosity. It was made by Mr. Sipes's great grand father, Henry Sipes in 1782; is of solid walnut, peculiar in its construction, and contains a secret drawer that would outwit the sharpest burglar. The chest is 4 feet 10 inches in length, and wide and deep in proportion.

## The Farmer and His Banker

Our bank never fails to give as good service to the farmer as it gives to any business man. As a matter of fact few banks could exist in this day and age of the world without the co-operation of the farmers. Often a farmer can make money by borrowing. Do not hesitate to call on us when you want money. We welcome a responsible borrower quite as heartily as a substantial depositor. It will pay every farmer to carry a checking account with us. Why not come in and talk it over with us to-day? Accounts may be opened by mail and monies deposited or withdrawn in this way with equal facility. We make a specialty of serving the farmer.

We Pay 3 Per Cent. Interest.
