Letter to J. W. Mellott.
McConnellsburg, Pa.

Dear Sir: Clear pine and pine full of knots are two different things; they are both called pine. Clear paint and paint adulterated with whitening, china clay, ground stone, barytes, benzine and water, are different things; they are both called "paint."

It takes less labor to work clear pine than pine knots, and costs less money. It takes less labor to paint clear paint than half whitening or half china clay or half ground stone or half barytes. These mixtures make more gallons, not more paint. There's no more milk in two quarts of milk and water than in one quart of milk. If you paint two gallons for one you pay double for labor; and labor costs more than paint.

You know how it is with clear lumber and knots. It is the same with all paints and half paint.

A day's work is a gallon of paint or half paint. Apply it to business. Suppose you have two houses, same size; paint one Devco, the other the other prominent paint in your town.

It takes 10 gallons Devco, \$1 75 a gallon, \$18 50 for paint; \$3 a gallon for labor, \$30 for labor; whole job, \$47.50.

It takes 15 gallons of that other paint, same price, \$22.25 for paint \$3 a gallon for labor, \$45 for labor; whole job \$71.25.

And which wears best, clear pine or pine knots? Devco wears better than that weak paint.

What warrant is there for saying that paint is weak? It takes more gallons.

Yours truly
F. W. DEVOE & Co.
P. S.—Hull & Bender, McConnellsburg; J. A. Boyd, Mercersburg, and Norman O. Huber, Chambersburg, sell our paint.

Not Sorry for Blunder.

"If my friends hadn't blundered in thinking I was a doomed victim of consumption, I might not be alive now," writes D. T. Sanders, of Harrodsburg, Ky., "but for years they saw every attempt to cure a lung-racking cough fail. At last I tried Dr. King's New Discovery. The effect was wonderful. It soon stopped the cough and I am now in better health than I have had for years. This wonderful life saver is an unrivaled remedy for coughs, colds, lagrippe, asthma, croup, hemorrhages, whooping cough or weak lungs. 50c, \$1.00. Trial bottle free.
