We had a letter a few days ago from Mrs. Felix Bellman, of Washington state, enclosing the money to advance her subscription to the Fulton County News and expressing her appreciation of the home paper. She will be remembered better by her former friends in the Cove as Miss Amanda Honman. She lives near her mother, Mrs. Anna M. Hohman, and both are very well and often think of their old friends in Fulton. Their post-office address is Bellingham, Wash., Box, 283.

Martin A. Sipes, son of Mr. and Mrs. V. R. Sipes at the toll gate near Foltz, went out to cut wood with his brother Ernest on Monday of last week. He had not struck a half dozen locks into a tree when the axe glanced and cut an ugly gash in his foot. Ernest carried his brother home and Dr. Swartzwelder of Mercersburg was called, and he dressed the wounded member, but it will be some time before he will be able to walk on it. This is the fourth accident that he has had recently, twice cutting the knee, and once the leg between the knee and foot. Martin will have to use a dull axe when he cuts wood hereafter.

While out with a party of rabbit hunters in Whips Cove a few days ago, Alfred Decker narrowly escaped being the victim of a serious gunning accident. The crowd had become separated—some being on the hills and others in the hollows. A rabbit was started up by a hill party, and at once indiscriminate and excited firing began, with the consequence that Alfred, who happened to be in one of the hollows, received several shot from somebody's gun. Three shot were taken from his head and face, three from one of his knees, and his clothing was perforated extensively. More good luck than good management that we are not writing up a more serious story.
