Fourteen football players were killed during the season of 1910. Apparently the new rules need some more tinkering.

Every family has need of a good, reliable liniment. For sprains, bruises, soreness of the muscles and rheumatic pains there is none better than Chamberlain's. Sold by all dealers.

A pupil in a Wellston school, writing an essay about cotton, stated that "it is chiefly used in making woolen goods." We challenge the country to produce a wiser school lad.

Don't forget the auction at D. C. Mallott's store in Whips Cove on Tuesday December 6th., beginning at 9 o'clock. Great opportunity for bargains.

After a week's absence, Mr. and Mrs. Levi Skiles and their son Wallace passed through town Monday on their way to their home on Pleasant Ridge. Having sold their farm on Pleasant Ridge to Mr. W. J. Truax in August, Mr. and Mrs. Skiles went over to Franklin county, and after looking around, rented the Bailey farm a quarter of a mile from Mercersburg on the road leading to Fort Loudon. They will move to their new home the first of next April.

The quicker a cold is gotten rid of the less the danger from pneumonia and other serious diseases. Mr. B. W. L. Hall, of Waverly, Va., says: "I firmly believe Chamberlain's Cough Remedy to be absolutely the best preparation on the market for colds. I have recommended it to my friends and they all agree with me." For sale by all dealers.

The family of William H. Woodal, tenant farmer on the Jared Pittman farm south of town, have been distressingly afflicted during the last three months. The home became infected with typhoid fever, and nearly all the members of the family passed through it. That Mr. Woodal became convalescent was a surprise to his friends; for it did not seem possible at one stage of the progress of the disease that he could get well. He however, came through it, and became, as he thought, strong enough to come to town one fine day. It was in this he was mistaken, for he very soon thereafter had to go to bed, and has been very poorly since. While the family has the sympathy and assistance of a large number of friends, all of which the family very much appreciate, yet on last Thursday evening, some miserable scoundrel who does not fear getting typhoid fever himself, went to Mr. Woodal's hogpen during the night and stole two fine Berkshire pigs that would weigh at least twenty-five pounds. We refrain from making any comments on such conduct for fear we might hurt the hog-thief's feelings.

Ends Winter's Troubles.

To many, winter is a season of trouble. The frost bitten toes and fingers, chapped hands and lips, chilblains, cold, sores, red and rough skins, prove this. But such troubles fly before Bucklen's Arnica Salve. A trial convinces. Greatest healer of Burns, Boils, Piles, Cuts, Sores, Eczema and Sprains. Only 25c. at Trout's drug store.

PLEASANT RIDGE.

Judge Morton and wife of McConnellsburg spent Saturday night and Sunday on this side of the mountain.

John Bard of Emmaville, is spending his spare time among his relatives on the Ridge.

The boys on this side who have been husking corn in Franklin county have returned home.

Chas. Spangier and wife of Hancock, are visiting his wife's relatives on the Ridge.

James W. Mellott and Miss Dott Truax attended the institute at Maple Grove last Friday night. Preaching at the Christian church was well attended last Sunday.

William Mellott and Reuben Mellott of Johnstown, who were visiting here have returned home.

30 YEARS OF SUCCESS

The B. M. Hyde Co. Offer a Remedy for Catarrh. The Medicine Costs Nothing If It Fails.

When a medicine effects a successful treatment in a very large majority of cases, and when we offer that medicine on our own personal guarantee that it will cost the user nothing if it does not completely relieve catarrh, it is only reasonable that people should believe us, or at least put our claim to a practical test when we take all the risk. These are facts which we want the people to substantiate. We want them to try Rexall Mucu-Tone, a medicine prepared from a prescription of a physician with whom catarrh was a specialty, and who has a record of thirty years of enviable success to his record.

We receive more good reports about Rexall Mucu-Tone than we do of all other catarrh remedies sold in our store, and if more people only knew what a thoroughly dependable remedy Rexall Mucu-Tone is, it would be the only catarrh remedy we would have any demand for.

Rexall Mucu-Tone is quickly absorbed and by its therapeutic effect tends to disinfect and cleanse the entire mucous membrane tract, to destroy and remove the parasites which injure the membrane tissues, to soothe the irritation and heal the soreness, stop the mucous discharge, build up strong, healthy tissue and relieve the blood and system of diseased matter. Its influence is toward stimulating the mucous cells, aiding digestion and improving nutrition until the whole body vibrates with healthy activity. In a comparatively short time it brings about a noticeable gain in weight, strength, good color and feeling of buoyancy.

We urge you to try Rexall Mucu-Tone, beginning a treatment today. At any time you are not satisfied, simply come and tell us, and we will quickly return your money without question or quibble. We have Rexall Mucu-Tone in two sizes, 50 cents and \$1.00. Remember you can obtain Rexall Remedies in McConnellsburg only at our store.—The Rexall Store, Leslie W. Seylar.

HUSTONTOWN.

Thus far our nimrods report very few venison roasts. But many are the tales of "what we saw." Harry Keller says "he got a taste," having shared in one killed the first day of season.

David Woodcock and Clarence Smith spent Sunday with relatives at Burnt Cabins.

Rev. and Mrs. McGarvey were most agreeably surprised on Wednesday the 24th when Howard Kirk and Harvey Clevenger drove up and requested the privilege of bringing a few things into the house. After loading the table down with good things and replenishing the potato and apple bins and Howard had given the parson a nice sum in cash they announced that "this was a Thanksgiving offering from Fairview." A most heartfelt thanks is expressed through these lines to these most generous and thankful people by their pastor and family.

Harry Keller makes us think of winter as his wood saw buzzes around.

Many porkers have gone down in this vicinity, though pork still remains high.

Some say there is a live spook in town. Orville Taylor developed excellent sprinting qualities on short notice when he saw (it!)

Brother James McElhanev reminded his pastor that, "out of sight was not out of mind" when he brought a generous offering on Thanksgiving of good things and much needed, horsefeed as a gift from Hustontown and vicinity. Rev. McGarvey is thankful to God for inspiring these generous folks and to them for obeying the impulse.

Hustontown M. E. Sunday school expects to have a fine Christmas entertainment.

Rev. McGarvey is convalescing rapidly from the attack of typhoid fever and expects to fill his regular appointments on December 11th.

The all day shower on Monday was a delight to all. For some time as many as six families have been depending on Mrs. Denisar's well for their water supply.
