The Blair county Court at Holdaysburg, has decided that the proper time to put a child to bed is at 7:30 o'clock each night. The decision resulted from the petition of a husband, who does not live with his wife, to compel her to permit him to visit her home each night after his work to see the child. The court deferred to the wife's judgement in the matter and directed the father to make his paternal visits prior to 7:30.

#### THE DOCTOR'S QUESTION.

##### Much Sickness Due to Bowel Disorders.

A doctor's first question when consulted by a patient is, "Are your bowels regular?" He knows that 98 per cent. of illness is attended with inactive bowels and torpid liver, and that this condition must be removed gently and thoroughly before health can be restored.

ReCALL Orderlies are a positive, pleasant and safe remedy for constipation and bowel disorders in general. We are so certain of their great curative value that we promise to return the purchaser's money in every case when they fail to produce entire satisfaction.

ReCALL Orderlies are eaten like candy, they act quietly, and have a soothing, strengthening, healing influence on the entire intestinal tract. They do not purge, gripe, cause nausea, flatulence, excessive looseness, diarrhoea or other annoying effect. They are especially good for children, weak persons or old folks. Two sizes, 25c. and 10c. Sold only at our store—The ReCALL Store. Leslie W. Seylar.

##### Storms About Christmas.

Guesses are already being published by the noted astronomers of the country as to the probable weather about Christmas time. One of these, Mr. Foster, of Washington, says that rain and snow will be visitations during the five days centering on the 23rd and that high temperatures are probable. Rev. Hicks, of St. Louis, says "a regular storm period covers the 21st to 27th, central on the 24th bringing to a marked degree mid-winter storms of rain, sleet and blizzards. Snow, high north west gales and a great cold wave, will be in sight to most parts, on or close to Christmas.
