Mr. James W. Cutchall, of Gracey, was in town with a load of coal last Friday. James drives a pair of mighty nice black draught horses.

HIDES.—James Sipes & Sons pay the highest market price for beef hides at their butcher shop in McConnellsburg, also highest price paid for calf skins sheepskins and tallow.

Mr. Abram W. Deshong of Andover called at the News office Tuesday to advance his subscription another year. Mr. Deshong is hauling limestone for another kiln next spring.

Every family has need of a good, reliable liniment. For sprains, bruises, soreness of the muscles and rheumatic pains there is none better than Chamberlain's. Sold by all dealers.

The percentage of increase of the population of the United States the last ten years was 21. Pennsylvania's increase was a little above the average having been 21.6. Good for the staid old Keystone state.

The quicker a cold is gotten rid of the less the danger from pneumonia and other serious diseases. Mr. B. W. L. At a recent quarterly conference held in Waynesboro the Rev. Dr. W. W. Evans, Methodist Episcopal superintendent of the Harrisburg district, brought out the fact that the eight months of the present conference year had already produced more deaths among ministers than any full year for a long while past. The increase in mortality among the ministers and the scarcity of ministerial timber cause double agitation in Methodist minds. The average of deaths has been one a month.

DON'T BE BALD.

Nearly Anyone May Secure a Splendid Growth of Hair.

We have a remedy that has a record of growing hair and curing baldness in 93 out of every 100 cases where used according to directions for a reasonable length of time. That may seem like a strong statement—it is, and we mean it to be, and no one should doubt it until they have put our claims to an actual test.

We are so certain Rexall "93" Hair Tonic will cure dandruff, prevent baldness, stimulate the scalp and hair roots, stop falling hair and grow new hair, that we personally give our positive guarantee to refund every penny paid us for it in every instance where it does not give entire satisfaction to the user.

Rexall "93" Hair Tonic is as pleasant to use as clear spring water. It is delightfully perfumed, and does not grease or gum the hair. Two sizes, 50c. and \$1.00. With our guarantee back of it, you certainly take no risk. Sold only at our store—The Rexall Store. Leslie W. Seylar.

They Were His Subscribers.

The Orbisoma Dispatch tells this story, but did not give the name of the newspaper man. Despatch says a preacher recently grew fervent in exhorting to honest living and near the close of the sermon he said, "Let every person in the house who is paying his or her debts stand up." Instantly every man and woman in the house, save one, was standing. After they were peacefully seated, the dominie asked, "Now let those stand up who are not paying their debts, and a long lean man of sixty or more years, clothed in a seedy suit of the past decade, slowly assumed a perpendicular position in his pew. How is it my friend," inquired the minister in austere tone, "that you are the only one of this intelligent congregation who does not meet his obligations?" The janky individual meekly answered, "I run a newspaper and the brethren here who just stood up are my subscribers and"—the minister broke in abruptly with, "We will close with the benediction."

Get Out Your Pencils.

There is a little problem which is given not because it is difficult but for the reason that it is rather peculiar and may prove instructive: A lady who died May 8th, 1909, was said to be aged 69 years 4 months and 29 days; what was the date of her birth?

Let the schoolboy and school girl, readers of the News figure it up and hand in their answers in time for our next issue. We will publish the names of those giving the correct answer.

Estray Notice.

About a month ago a white-faced cow and calf, a yearling Holstein bull, and a yearling steer came upon the premises of Ralph Glenn, near Webster Mills, and are there yet; the owner is hereby notified to come forward, prove property, pay charges, and take them away, or they will be disposed of according to law.
