FOR CONSTIPATION.

A Medicine That Does Not Cost Anything Unless It Cures.

The active medicinal ingredients of Rexall Orderhes, which are odorless, tasteless and colorless, is an entirely new discovery. Combined with other extremely valuable ingredients, it forms a perfect bowel regulator, intestinal invigorator and strengthener. Rexall Orderlies are eaten like candy and are notable for their agreeableness to the palate and gentleness of action. They do not cause griping or any disagreeable effect or inconvenience. Unlike other preparations for a like purpose, they do not create a habit but instead they overcome the cause of habit acquired

through the use of ordinary laxatives, cathartics and harsh physic and permanently remove the cause of constipation or irregular bowel action.

We will refund your money without argument if they do not do as we say they will. Two sizes, 25c. and 10c. Sold only at our store-The Rexall Store. Leshe W. Seylar.

IDDO.

Mr. and Mrs. David Hess and daughter spent Sunday in our town.

A PAROD\.

"Twas the night before Sunday, when all through the town, No creature was stirring, not one could be found. The loafers were hung by the grocery fire In hopes that the time would soon come to retire, When the maid from her muse, the bum from his booze, Would settle their brains for a mldwinter snooze-When out on the street arose such a clatter, 1 fell through the door to see what was the matter.

FIRE! FIRE !!! FIRE !!! Away to the hose house I flew like a wolf, Demolished the sidewalks, and tore off the roof. The moon on the breast of the fast falling snow, Had not yet arisen, as far as I know, When, what to my wondering eyes should disclose, But a mineature cart, and a mile of fire hose. And a spirited leader so lively and quick I knew in a moment it must be Sir Nick. More rapid than eagles his firemen they came-There was no time to whistle or call them by name; Now Dasher, now Dancer, lay hold with a will, The fireplug is yonder away up the hill. As dry leaves before the wild hurricane fly-Or the soak to the barroom, whenever he's dry-So up to the fireplug his coursers they drew This rickety cart and Sir Nicholas too. And then in a twinkling I heard up the route The prancing and pawing of each little foot, As I fied to the sidewalk lest harm I should meet The gleaming white hose lay stretched in the street. With hand on the wrench we were ordered to stop, The fire had been quencued with a bottle of pop. But let me aver ere I draw out of sight, Our laddles are there, when a fire is to fight. Here's praising your pluck, and to all a good night.
