Attacks School Principal.

A severe attack on school principal, Chas. B. Allen, of Sylvania, Pa., is thus told by him. "For more than three years," he writes "I suffered indescribable torture from rheumatism, liver and stomach trouble and diseased kidneys. All remedies failed till I used Electric Bitters, but four bottles of this wonderful remedy cured me completely." Such results are common. Thousands bless them for curing stomach trouble, female complaints, kidney disorders, biliousness, and for new health and vigor. Try them. Only 50c. at Trout's drug store.

Mrs. Mary Sharp is spending this week with her mother Mrs. George W. Sipes helping prepare for the sale on the 8th of March.

MAKE

as much as you may, when you get old you have nothing unless you save. Did you ever notice how

YOUR

debts grow if you let them alone? Savings grow the same way. If you had put away five cents a day for the past 21 years, how much

MONEY

do you suppose you would have now? Almost \$600 counting the interest added every year. Your money begins to

WORK

for you when placed on deposit with us. A bank account is as good as an insurance policy. Better than some,

FOR

you can't always get your money on a policy when you need it. If the folks get sick, if you want to buy a home, if you want to take a vacation, there's nothing like a good bank account.

NOW IS THE TIME, THE FULTON COUNTY BANK IS THE PLACE, AND YOU

ARE THE PERSON.

Reduction in Prices.

I have some New Buggies I carried over winter that I will sell at a reduction in price while they last in order to make room for my new stock. I also have a lot of new hand made Buggy Harness for sale. Please give me a call.

Advertising Real Estate.

Do you want to buy or sell a home, a farm or a business place? If so, my business is to help you. I have a good assortment located in every township in Fulton County; full description of the best bargains is given in booklet form. If you want to buy, write for one. Since I have been advertising the booklets through thirty-six leading newspapers throughout the country, hundreds of people from nearly every state in the Union have gotten them and are getting interested in Fulton County Fruit Lands, farms and homes. If you want to buy, now is the time, before the weather is fit for strangers to come and get the bargains. I have no money to loan, but have arrangements to get you money at a low rate of interest, to purchase with. Titles examined, deeds and loans secured to purchasers FREE. There is no scheming in this. I do not speculate on these properties. I just let you know where you can buy direct from the owner. My interest is only a small commission to pay expenses.

If you want to sell a property, there is a person somewhere who will pay you a good price for it, and there is no better way to find that party than advertising as I do, throughout the country. I charge nothing unless it is sold, then only a small commission and do not take option on it, but leave you free to sell at any time and get the highest possible price it may bring.

I will be in home office only on Monday and Tuesday of each week.
