GREAT CRIMINAL MYSTERY SOLVED.

Masked Man in Lewistown Narrows Robbery Uncovered by Detectives.

It is an almost startling devel opment that in delving for the facts of a great mystery the solution of it should be found. Such, is the striking feature of work undertakes in preparing for pub-W. Don Morton in Omaha, Neb., lication the story of "The Lone Dr. D. A. Hill formerly of Fort Bandit of Lewistown Narrows," three years a resident of Shelby, zine Section of next Sunday's

Two years ago a lone and unknown bandit startled the counride on a street car, and being try by holding up and robbing one of the fastest express trains on the Pennsylvania Railroad in "The Narrows, near Lewistown.

> The very addacity of the performance stamped the robbery as one of the unique crimes of the age. From the day it was committed the criminal was a mystey until after the original manuscript story of the crime was prepared for publication in the North American. It was in checking up the incidents that inquiries were inspired the answering of which furnished the solution.

> The story of the robbery is reported in fascinating style in the Sunday North American's article, and the solution that goes with it is also turnished.

Because of the state wide and nery looking for employment but country wide interest in the solution of the great crime mystery, Nathan Stevens bought a fine the demand for The North Amerteam of horses and a black mule lean will undoubtedly be enorit should order, the paper, well in
