

Particularly the Ladies.

Not only pleasant and refreshing to taste, but gently cleansing and sweetening to the system, Syrup of Figs and Senna is particularly adapted for infants and children, and beneficial in cases in which a wholesome, strengthening and effective laxative should be used. It is perfectly safe at all times and for all ages, cures colds, headaches and the pains caused by indigestion and constipation so promptly and effectively that it is the one best family laxative which gives satisfaction to all and is recommended by the physicians of families who have used it and who have personal knowledge of its excellence.

The wonderful popularity, however, has induced unscrupulous dealers to offer imitations which act unsatisfactorily. Therefore, when buying, to get its beneficial effects, always note the full name of the company—California Fig Syrup Co.—and the name of the genuine Syrup of Figs and Senna printed on the front of every bottle of the genuine Syrup of Figs and Senna.

PROMOTER RETIRES FROM GAME

Tex Rickard.

Northern saloon. In five years a \$1,000,000 dividend was declared on the \$15,000 investment.

The panic of 1907 came near putting Tex down and out for good. Mining stocks went bad and he dropped a million and a half in cash. He had held considerable property, however, and when things boomed again he sold his properties, realizing enough for another fresh start. When he came east last winter to bid for the Johnson-Jeffries fight Tex was suspected to be broke; but he says he was far from it. Just now Rickard is preparing for a trip to South America.

"Are you contemplating anything of a sporting nature?" he was asked.

"No," he replied, "the fight game is at a standstill. I'm going back to my first love—cattle raising."

Women were permitted to watch the Hackenschmidt-Zbyzko wrestling match the other night at New York. Was it as sane as that?

BOTH WERE QUICK THINKERS

"Count" Herman Long and President Tom Lynch Had Fast Working Brains, Says Fred Tenney.

Manager Fred Tenney of the Boston Rustlers, tells an anecdote that gives an instance of the remarkable quick thinking on the ball field of the late Herman ("Count") Long, and also the methods of President Thomas J. Lynch of the National League, when he was plain Tom Lynch, the umpire.

"The old Boston team was playing the Giants at the Polo Grounds," says Tenney, "several years ago. When

the Giants went in for their ninth inning we had a lead of one run, with two out and no runs in. They had a man on third and another on first. Joutet Meekin was the runner at my corner, and George Van Halgren, a left-hand batter and a very fast man, was at the bat.

"Herman, knowing Van's habit of

Remarkable Recovery From Serious Kidney Trouble.

Jacob See, 195 Prince St., Newark, N. J., says: "I suffered until I thought I would be better dead. I was in constant pain, incapacitated for work and could not sleep. The urine passed too freely and I was obliged to arise many times at night. I was growing gradually worse. Nothing helped me and then I began with Doan's Kidney Pills and was cured. This took place fourteen years ago and I have had no trouble since."

HEAD SOLID MASS OF HUMOR

"I think the Cuticura Remedies are the best remedies for eczema I have ever heard of. My mother had a child who had a rash on his head when he was real young. Doctor called it baby rash. He gave us medicine, but it did no good. In a few days the head was a solid mass; a running sore. It was awful, the child cried continually. We had to hold him and wash him to keep him from scratching the sore. His suffering was dreadful. At last we remembered Cuticura Remedies. We got a dollar bottle of Cuticura Resolvent, a box of Cuticura Soap, and applied the Cuticura Ointment. We had not used half before the child's head was clear and free from eczema, and it has never come back again. His head was healthy and he had a beautiful head of hair. I think the Cuticura Ointment very good for the hair. It makes the hair grow and prevents falling hair." (Signed) Mrs. Francis Lund, Plain City, Utah, Sept. 19, 1910. Send to the Potter Drug & Chem. Corp., Boston, Mass., for free Cuticura Book on the treatment of skin and scalp troubles.
