A Fierce Night Alarm

is the hoarse, startling cough of a child, suddenly attacked by croup. Often it aroused Lewis Chamblin of Manchester, O., [R. R. No. 2] for their four children were greatly subject to croup. "Sometimes in severe attacks," he wrote "we were afraid they would die, but since we proved that a certain remedy Dr. King's New Discovery is, we have no fear. We rely on it for croup and for coughs, colds or any throat or lung trouble." So do thousands of others. So may you. Asthma, Hay Fever, La Grippe, Whooping Cough, Hemorrhages fly before it. 50c. and \$1.00. Trial bottle free. Sold by Trout's drug store.

Mr. Will E. Hoke, formerly of the Cove, but a resident of Saxton during the last several years, has purchased a big farm in Montgomery county, not very far from Philadelphia, and moved his family to their new home last week. A postal card from Mrs. Hoke Monday asking that the address of the FULTON COUNTY NEWS be changed from Saxton to their new address, said. "We are very much pleased with our new home, with the exception that our house is hardly large enough; so far, I have only found 14 rooms, 3 cellars, 2 caves, and 1 bake-oven. Mother [Mrs. Catherine Spangler, of Wells Tannery] is with us, and I think she will like it as well as the rest of us."

THE DOCTOR'S QUESTION.

Much Sickness Due to Bowel Disorders.

A doctor's first question when consulted by a patient is, "Are your bowels regular?" He knows that 98 per cent. of illness is attended with inactive bowels and torpid liver, and that this condition must be removed gently and thoroughly before health can be restored.

Rexall Orderlies are a positive, pleasant and safe remedy for constipation and bowel disorders in general. We are so certain of their great curative value that we promise to return the purchaser's money in every case when they fail to produce entire satisfaction.

Rexall Orderlies are eaten like candy, they act quietly, and have a soothing, strengthening, healing influence on the entire intestinal tract. They do not purge, gripe, cause nausea, flatulence, excessive looseness, diarrhoea or other annoying effect. They are especially good for children, weak persons or old folks. Two sizes, 25c. and 10c. Sold only at our store—The Rexall Store.—Leslie W. Seylar.

Fulton County Bank.

Fulton County Bank was the first financial institution in this county. It was organized by J. Nelson Sipes, Esq., during the summer of 1887, in connection with W. H. Nelson, D. B. Nace, George J. Pittman, A. U. Nace, B. M. Lodge and Wm. A. Kendall as partners in the name of Fulton County Bank, and on the 24th of October of the same year, the doors were opened for business with D. B. Nace as Cashier. The capital stock was ten thousand dollars, which was divided equally among the partners. Mr. Nace was continued as cashier until 1892 when he resigned and Mr. Nelson was elected to succeed him, and he is still the Cashier. By removals and death the original partners were reduced to four members, who continued the business until the first of January 1906, then D. B. Nace retired, the Bank was reorganized, the number of the partners increased to eighteen, and the capital stock was increased to eighteen thousand dollars.

At the time of the reorganization Wilson L. Nace was elected Assistant Cashier, and since the illness of Mr. Nelson Mr. Nace has been the acting Cashier to the satisfaction of all persons having business with the bank.

The business of Fulton County Bank has been steadily increasing since the year it was opened to the public. The last year made the best showing since it commenced business.

As evidence of its patronage and prosperity it has since the first of January 1906, paid annually six per cent. to the stock holders, and accumulated a surplus and clear undivided profits of over twelve thousand dollars. Since commencing business it has paid in cash dividends to the stockholders fifty three thousand four hundred and twenty-three dollars, making a total gain to the first day of last January of sixty-three thousand nine hundred and twenty-three dollars.

Fulton County Bank has gone through two financial panics. The panic of 1893 was of unusual severity, all business was prostrated and banks all over the country were failing, and none would make loans even to their best customers. But with Fulton County Bank there has not been a business day in almost twenty four years that it was not ready and willing to meet every proper and legitimate demand made on it, whether for payment or loans.

On account of increasing business, and the necessity of the public, there is talk of increasing the capital stock of Fulton County Bank to fifty thousand dollars (\$50,000.00) and asking the State for a charter of incorporation to do a Trust Company and Banking business.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surface of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

F. J. CHENEY & CO., Toledo, O. Sold by all Druggists. Price, 75c. per bottle.

Take Hall's Family Pills for constipation.

WHO IS THE F. S. ROYSTER GUANO COMPANY?

TRADE MARK
F. S. R.
REGISTERED

The F. S. Royster Guano Company is the largest independent manufacturer of Fertilizers in the United States.

The business was founded twenty-seven years ago by Mr. F. S. Royster, who is still at the head of the Company, and gives the business his personal attention. It requires eight large factories to supply the demand for Royster goods in the South alone.

Being desirous of extending our territory, we have built in Baltimore one of the largest and most modern fertilizer and Sulphuric Acid plants in existence.

Ask your dealer for ROYSTER goods and see that the trade-mark is on every bag. If he does not handle them, write and give us his name and we will arrange with him, or some one else, to supply you.
