The justices of the peace throughout Pennsylvania have received word that the increased fees granted by the Legislature four years ago will not be allowed to any justice in office at that time during the term of office. The decision is severely criticised by the justices because under the precedent set by the judges in taking an increase of salary during their term of office the minor judiciary thought they would be allowed to do likewise. As the result of the decision the new justices of any county will receive much higher fees than the older ones in service.

What breaks the shaft of a great ocean liner is not the work it does in driving the ship forward through the sea, but the tremendous speed at which it is driven when the waves lift the stern into the air and it is doing no work whatever. It is so with the most perfect of all machines, the human body. It is not work that wears us out or suddenly snaps the cord, but rather it is the extra strain we put upon the machine by the waves of passion and folly that sweep over us. A fit of anger puts a greater strain upon the heart than a whole week's work, and drink takes a fearful toll from the human machine. We have noted that those who live long and happily are those who have lived tranquilly, and circumscribed their desires within due bounds.—Farm Journal.

Nearly Anyone May Secure a Splendid Growth of Hair.

We have a remedy that has a record of growing hair and curing baldness in 93 out of every 100 cases where used according to directions for a reasonable length of time. That may seem like a strong statement—it is, and we mean it to be, and no one should doubt it until they have put out claims to an actual test.

We are so certain Rexall "93" Hair Tonic will cure dandruff, prevent baldness, stimulate the scalp and hair roots, stop falling hair and grow new hair, that we personally give our positive guarantee to refund every penny paid us for it in every instance where it does not give entire satisfaction to the user.

Rexall "93" Hair Tonic is as pleasant to use as clear spring water. It is delightfully perfumed, and does not grease or gum the hair. Two sizes, 50c. and \$1.00. With our guarantee back of it, you certainly take no risk. Sold only at our store—The Rexall Store. Leslie W. Seylar.

Advertising Real Estate.

Do you want to buy or sell a home, a farm or a business place? If so, my business is to help you. I have a good assortment located in every township in Fulton County. Nine hundred 10 and 20 acre tracts of Florida land. Full description of the best bargains is given in booklet form. If you want to buy, write for one. Since I have been advertising the booklets through thirty-six leading newspapers throughout the country, hundreds of people from nearly every state in the Union have gotten them and are getting interested in Fulton County Fruit Lands, farms and homes. If you want to buy, now is the time, before the weather is fit for strangers to come and get the bargains. I have no money to loan, but have arrangements to get you money at a low rate of interest, to purchase with. There is no scheming in this. I do not speculate on these properties. I just let you know where you can buy direct from the owner. My interest is only a small commission to pay expenses.

If you want to sell a property, there is a person somewhere who will pay you a good price for it, and there is no better way to find that party than advertising as I do, throughout the country. I charge nothing unless it is sold, then only a small commission and do not take option on it, but leave you free to sell at any time and get the highest possible price it may bring.

I will be in home office only on Monday and Tuesday of each week.
