John and Otis Hookensmith, who have been working at Kearney, during the last fifteen months, started from their home near Salvia last Sunday morning and after spending Sunday night at Kearney, left that place Monday morning to drive through to Abingdon, Illinois, where they expect to spend the summer. They are making the trip with a horse and buggy.

Is there anything in all this world that is of more importance to you than good digestion? Food must be eaten to sustain life and must be digested and converted into blood. When the digestion fails the whole body suffers. Chamberlain's Tablets are a rational and reliable cure for indigestion. They increase the flow of bile, purify the blood, strengthen the stomach, and tone up the whole digestive apparatus to a natural and healthy action. For sale by all dealers.

In remitting a dollar to renew her subscription to the News, Mrs. J. H. Unger (Hannah Glenn), of Dixon, Ill., says: "Winter seems quite content to linger in the lap of spring; but is hoped that some good will come from the lateness of the season. The buds are not advanced enough to be nipped by early frosts, and there is little danger of there being frozen when out in bloom. A good crop this year will be very acceptable; for the fruit crop has been a failure during the past two years. I am gaining strength daily, and am able to do light housework. I hope as the days grow warmer that I shall improve still more rapidly."

Advertising Real Estate.

Do you want to buy or sell a home, a farm or a business place? If so, my business is to help you. I have a good assortment located in every township in Fulton County. Nine hundred 10 and 20 acre tracts of Florida land. Full description of the best bargains is given in booklet form. If you want to buy, write for one. Since I have been advertising the booklets through thirty-six leading newspapers throughout the country, hundreds of people from nearly every state in the Union have gotten them and are getting interested in Fulton County Fruit Lands, farms and homes. If you want to buy, now is the time, before the weather is fit for strangers to come and get the bargains. I have no money to loan, but have arrangements to get you money at a low rate of interest, to purchase with. There is no scheming in this. I do not speculate on these properties. I just let you know where you can buy direct from the owner. My interest is only a small commission to pay expenses.

If you want to sell a property, there is a person somewhere who will pay you a good price for it, and there is no better way to find that party than advertising as I do, throughout the country. I charge nothing unless it is sold, then only a small commission and do not take option on it, but leave you free to sell at any time and get the highest possible price it may bring.

I will be in home office only on Monday and Tuesday of each week.

"After our child had suffered from severe bronchial trouble for a year," wrote G. T. Richardson, of Richardson's Mills, Ala., "we feared it had consumption. It had a bad cough all the time. Finally we tried Dr. King's New Discovery, and are pleased to say that one bottle effected a complete cure, and our child is again strong and healthy."
