Do Ghosts Haunt Swamps?

No, Never. It's foolish to fear a fancied evil, when there are real and deadly perils to guard against in swamps and marshes, bayous, and lowlands. These are the malaria germs that cause ague, chills and fever, weakness, aches in the bones and muscles and may induce deadly typhoid. But Electric Bitters destroys and casts out these vicious germs from the blood. "Three bottles drove all the malaria from my system," wrote Wm. Fretwell, of Lucama, N. C., "and I've had fine health ever since." Use this safe, sure remedy only. 50c at Trout's drug store.

Racket Store News.

In our last ad we made mention of our **CLOTHING**, and we are glad we did, for it brought us a lot of new trade, and it was a reminder that hurried up our regular customers, and the result is that we have had the biggest clothing trade this spring we have ever had in the history of our business. We still have some left and more coming in.

Our **SHOE TRADE** has been just as good. We had run out of those Ladies' Dollar Shoes, but we have been lucky enough to get a lot more of them.

See our **OXFORDS** before you buy a pair of new shoes.

This is a picture of the best and easiest running **LAWN MOWER** made. We have tried several kinds, but can't find any to touch them. They are self-sharpening, and we can sell them to you at \$2.50 and \$2.65.

This week we want to speak to you about some things that you need right now. The time is here for **GARDEN PLOWS**. We have them; they are more complete than ever, and they are cheaper than ever. Why tramp your ground with a horse, when you can avoid it so easily. Price only \$2.35.

ICE CREAM FREEZERS
\$1.90 to \$2.25.

We have 2 doz. of those Mattock, Garden, and Field Hoes like we had last summer at 45c.

Dunn Edge Mowing Scythe. This is counted the best. 48 cents. They were 65 last year.

We got our **GLASS JARS** in early. Get prices before you buy; also, on Jar-tops and rings. See the jar we sell at 7 cents. It is as big as a 10 cent one.

SO-BOSS-SO KILFLY—something that will do the work. 75 cents a gallon.

We have the goods this year to get rid of the fly. If they bother your stock, use So-Boss-So. If they bother you in the house, use Continental Screen Windows and Doors 20 and 25c for windows; 85c to \$1.00 for the doors; and then, for the flies that get in when you open the doors, use genuine Tangle foot fly paper, 4 double sheets for 5 cents.

Screen Wire is cheaper than last year, 8 to 12 cents a yard.

We have just received 5 dozen more of those **25 CENT BROOMS**, same that you pay 35 cents for elsewhere.

If you wish to **PAINT** your house or barn, you will do well to talk the matter over with us. At the high price of oil, you will be surprised how cheap and good we can do it for you. White lead is only one-quarter of a cent higher than ever it was. Just measure your house around in feet, multiply this by the height, divide by 600 and you have the number of gallons it will take for one coat.

We have added **PLOW POINTS** and Bolts to our stock. Store open from 6 in morning until 9 at night, except Saturday and then 10 at night.
