A union service was held in the auditorium of the Public School building last Sunday morning, at which time Rev. Clifford E. Hays, of the Lutheran church, preached the annual memorial sermon. The auditorium which has a seating capacity of more than four hundred, was well filled, and the sermon very much appreciated. Rev. John M. Diehl, of the Presbyterian church was present and assisted in the services. The number of veterans in our community has dwindled down until there is barely a "corporal's guard" left—scarcely a dozen present.

#### A Day's Outing.

A touring party composed of Mrs. E. R. McClain, Mrs. C. B. Stevens, Miss Emily V. Greathead, and Miss Mary Pittman, left McConnellsburg, early last Thursday morning for a day's outing—early enough to be at the top of the great Tuscarora mountain to witness the first peep of the sun as it sent forth a shower of scintillating beams from the eastern horizon. This beautiful view, coupled with the invigorating ozone-laden atmosphere of an ideal early summer morning, made them feel well repaid for the small sacrifice of making the ascent at so early an hour. But they could not tarry; there were other places to visit—other sights to see, and onward they went until the historic town of old Fort Loudon was reached. After having filled their pockets with Indian arrows, and colonial relics picked up on the site of the old fort, they boarded the South Penn and onward they went—and they went. The News could not tell all that the party saw during the day without leaving some of the medicine locals out; hence our readers must be content with the knowledge that they returned to McConnellsburg, at nine o'clock on the evening of that day. Some of the places visited were: Mercersburg, Lemaster, Williamson, Stone Bridge, Marion, Chambersburg, Guilford Springs, Kaufmans, Greencastle, Minor, and Maugansville.

GEO. A. WINTERS,  
Plum Run, Pa.

Our old friend Jacob Crider, or we should say our young friend, for he is not as old as the editor, called to see us while in town Monday. Jacob has been in the service of Uncle Sam during the past nineteen years as Star Route mail contractor, seventeen years of that time having the route between Three Springs and Hopewell via Wells Tannery. During the last two years, or since the establishing of free rural delivery service between Hopewell and Wells Tannery, and from Three Springs, Jacob's route extends only between New Grenada and Wells Tannery, a distance of seven miles. But Mr. Crider is happy just the same; for Uncle Sam pays him within one hundred and twenty dollars a year as much for the seven miles as when the route was more than twice as long.

#### Dedication.

The Laurel Ridge Christian Church situated on Laurel Ridge 2 1/2 mile southwest of Big Cove Tannery, will be dedicated to the worship of God on Sunday, June 11th. Services will begin at 10 o'clock a. m., sharp. Rev. J. W. Hoffman of Sweet Valley, Pa., will preach the dedicatory sermon.

Ministers of the Rays Hill and Southern Pennsylvania Conference are expected to attend. Ministers and members of other denominations, and everybody else are invited to attend. Peter, once said, "Silver and gold have I none;" but we feel sure that the people of Fulton county have plenty of Greenbacks, therefore, we ask that everybody come prepared to make an offering to help us remove all indebtedness on the house, as there will be services in the afternoon. Bring dinner for yourselves, and the strangers, that all may be fed. Don't forget the above named time.

A. G. B. POWERS, pastor.  
Miss JESSIE MELLOTT,  
Church Clerk.

#### Wins Fight For Life.

It was a long and bloody battle for life that was waged by James B. Mershon, of Newark, N. J., of which he writes: "I had lost much blood from lung hemorrhages, and was very weak and rundown. For eight months I was unable to work. Death seemed close on my heels, when I began, three weeks ago, to use Dr. King's New Discovery. But it has helped me greatly. It is doing all that you claim." For weak, sore lungs, obstinate coughs, stubborn colds, hoarseness, la grippe, asthma, hay fever or any throat or lung trouble it's supreme. 50c & \$1.00. Trial bottle free. Guaranteed by Trout's Drug Store.

## Advertising Real Estate.

Do you want to buy or sell a home, a farm or a business place? If so, my business is to help you. I have a good assortment located in every township in Fulton County. Nine hundred 10 and 20 acre tracts of Florida land. Full description of the best bargains is given in booklet form. If you want to buy, write for one. Since I have been advertising the booklets through thirty-six leading newspapers throughout the country, hundreds of people from nearly every state in the Union have gotten them and are getting interested in Fulton County Fruit Lands, farms and homes. If you want to buy, now is the time, before the weather is fit for strangers to come and get the bargains. I have no money to loan, but have arrangements to get you money at a low rate of interest, to purchase with. There is no scheming in this. I do not speculate on these properties. I just let you know where you can buy direct from the owner. My interest is only a small commission to pay expenses.

If you want to sell a property, there is a person somewhere who will pay you a good price for it, and there is no better way to find that party than advertising as I do, throughout the country. I charge nothing unless it is sold, then only a small commission and do not take option on it, but leave you free to sell at any time and get the highest possible price it may bring.

I will be in home office only on Monday and Tuesday of each week.
