Waynesboro is raising a fund of \$100,000 to induce new manufacturers to locate at that place.

The Ladies' Aid Society of Greenhill M. E. Church will hold a festival in the grove Saturday evening, August 12th. Come.

The Bedford County students of Juniata College, Huntingdon, and many of their friends held their annual reunion a Bedford Springs last Saturday.

A three-year-old son of Luther Trout residing in Everett, swallowed an eight penny wire nail a few days ago. It required a surgical operation to remove the nail which was two and five-eighths inches in length.

Mr. W. S. Gansalus, a farmer living near Fleming, Pa., says he has used Chamberlain's Colic, Cholera and Diarrhoea Remedy in his family for fourteen years, and that he has found it to be an excellent remedy, and takes pleasure in recommending it. For sale by all dealers.

A concrete walk leading from the porch through the lawn to the Public Square, has just been put down by undertaker Stoner which adds much to the appearance and value of his residence. Mr. Stoner has one of the prettiest properties in town and needs just one more touch—a concrete sidewalk along the north side.

The proof of the corset is the wearing of it: The Scientific American of last week said: "The lung capacity of the average woman who does not wear corsets is about 171 cubic inches; of one who is in the habit of wearing corsets only 134 cubic inches; so that the capacity of the normal and unrestricted lungs is about 27.3 per cent more than that of those which have been compressed by the corset."

A vast amount of ill health is due to impaired digestion. When the stomach fails to perform its functions properly the whole system becomes deranged. A few doses of Chamberlain's Tablets is all you need. They will strengthen your digestion, invigorate your liver, and regulate your bowels, entirely doing away with that miserable feeling due to faulty digestion. Try it. Many others have been permanently cured—why not you? For sale by all dealers.

FOR SALE.—Two acres of land on which is erected a two story frame seven-room dwelling, summer kitchen attached, good stable and all necessary outbuildings, also a workshop shop suitable for any kind of tradesman, 3 miles to trolley, 4 miles to railroad, situated in Blossville, Cumberland county, Pa., and only ten miles to Carlisle market. Good chance for trucking. Address T. C. Alexander, Blossville, Pa.

Miss Verna Parsons, who during the last three years has taught very successfully in the public schools in Mount Union, Pa., has just been re-elected to the same position for the ensuing year. Miss Verna and Miss Myrtle McClain took the Permanent Certificate examination at Huntingdon last spring and passed with a high average. The well merited Certificate came along from the State Department last week and the girls are happy. Miss Verna is visiting her sister Mrs. John E. Locke at Homestead, Pa., just now.

Business Meeting.

There will be a business meeting at the Sideling Hill Christian church August 19th in the afternoon. All the members are requested to be present. REUBEN S. MELLOTT, Church Clerk.

Big Surprise.

Last Friday morning as Miss Fannie Miller was busily engaged in her household duties, her attention was attracted to the sound of a horn followed by something similar to the cackling of geese, and looking out was greatly surprised to see 59 of her good neighbors and friends led by Captain Daniel Elvy and General Arie Deshong approaching with heavily laden baskets to celebrate her 64th birthday. When they reached the house there was a great chattering and laughing and as soon as reconciled the women got busy and emptied their baskets on the table. It was not safe to put all of the refreshment on at once for fear of a wreck, so the stove, doughtray, and safe were filled. You may know the people had a good appetite when ten slabs of cake, eight freezers of ice cream were demolished, besides bread, rolls, gingerbread, cookies, pies, jarred fruit, slaw, pickles of all kinds, jellies, butters, etc. After dinner we were entertained by phonograph owned and operated by Arie Deshong and accordian owned and operated by Daniel Elvey. Geo. Tice, Jr., also gave us some very fine music on accordian.

Misses Fanny and Katie Miller both were recipients of many beautiful cards, and useful and ornamental presents. They say they can never be too thankful to their friends and neighbors for being so kind in giving them such a fine time that day. Those present were: Misses Fanny and Katie Miller, Clarence Hoover, Mrs. Connelly and two children—Fanny and Charley; Mrs. Ellen Oyster and three children—Mary Anne and Rash; Mrs. Nellie Mamma and daughter Pearl, John Shaffer and wife, Adam Shaffer, Mrs. Bertha Horton and four children—Edyth, Russel, Hazel, and Charley; Orsian Wible wife and two children—Beatrice and Norris; Arie Deshong, wife and daughter Zena; Harvey Wible, wife and son Russel; Geo. Tice, Jr., wife and two children—Herman and Elmer; Daniel Elvey wife and son Walter; Mrs. Annie Croff and three children—Ethel, Lester and Ruth; John Wible, wife and children—Oliver, Don, Ruth and Daniel; Susan J. Wible, Lottie Wible; Lewis Wible, wife and son Lloyd; Samuel Hess, Tommy Jeakins, Alvin Fix, Leonard Sherman, Merrill Brant, Helen Everts, and Nora Ambrise. ONE WHO WAS THERE.

Thirty Years Together.

Thirty years of association—think of it. How the merit of a good thing stands out in that time—or the worthlessness of a bad one. So there's no guesswork in this evidence of Thos. Ariss, Concord, Mich., who writes: "I have used Dr. King's New Discovery for 30 years, and its the best cough and cold cure I ever used." Once it finds entrance in a home you can't pry it out. Many families have used it forty years. It's the most infallible throat and lung medicine on earth. Unequaled for lagrippe, asthma, hay-fever, croup, quinsy or sore lungs. Price 50c, \$1.00. Trial bottle free. Guaranteed by Trouts Drug Store.

DROIT.

Aug. 3.—Our farmers are all busy plowing. Mr. Joseph E. Mellott of this place spent Saturday evening and Sunday at Franklin Mills. Miss Cora Daniels who is employed at Jerry Bair's near Hancock returned home Friday evening but expects to go back in a few days. Court Carbaugh spent Sunday evening in the home of Samuel Khne. Quite a number of people from this place attended the festival at Mt. Zion.

Do you want to buy or sell a home, a farm or a business place? If so, my business is to help you. I have a good assortment located in every township in Fulton County. **TWO WATER-POWER GRIST MILLS** in good condition, well located: Full description of the best bargains is given in booklet form. If you want to buy, write for one. Since I have been advertising the booklets through forty-six leading newspapers throughout the country, hundreds of people from nearly every state in the Union have gotten them and are getting interested in Fulton County Fruit Lands, farms and homes. If you want to buy, now is the time, before prices advance or, strangers, come and get the best bargains. There is no scheming in this. I do not speculate on these properties. I just let you know where you can buy direct from the owner. My interest is only a small commission to pay expenses.

If you want to sell a property, there is a person somewhere who will pay you a good price for it, and there is no better way to find that party than advertising as I do, throughout the country. I charge nothing unless it is sold, then only a small commission and do not take option on it, but leave you free to sell at any time and get the highest possible price it may bring. I will be in home office only on Monday and Tuesday of each week. **FRANK MASON, Agent.**
