Prime Timothy Seed for sale at Stoutegale Bros.

Mrs. James Snyder, of Chambersburg, is visiting in the family of Mr. and Mrs. James W. Rummel.

Charles W. Ghidde, Lawrence, Mass., came to a restaurant in Boston one day this week, and in one hour and a half had stowed away under his belt fifty eight ears of corn.

If you knew of the real value of Chamberlain's Liment for lame back, soreness of the muscles, sprains and rheumatic pains, you would never wish to be without it. For sale by all dealers.

Dr. P. Elwood Stigers announces the marriage of his daughter Kitty Mariah, and the Reverend Walter Blaine McKinley, on Tues day the thirty-first day of August, 1911, at Hancock, Md. At home after the first of October "The Rectory," Westport, Md.

Running up and down stairs, sweeping and bending over making beds will not make a woman healthy or beautiful. She must get out of doors, walk a mile or two every day and take Chamberlain's Tablets to improve her digestion and regulate her bowels. For sale by all dealers.

Oscar Hill takes this opportunity to thank the many friends who so kindly remembered him on his recent birthday by sending such a fine lot of beautiful birthday cards. He very much appreciates them and hopes each one of his friends may have many happy birthdays and be as generously remembered as he was.

An article that has real merit should in time become popular. That such is the case with Chamberlain's Cough Remedy has been attested by many dealers. Here is one of them. H. W. Hendrickson, Ohio Falls, Ind., writes, "Chamberlain's Cough Remedy is the best for coughs, colds and croup, and is my best seller." For sale by all dealers.

A successful "bushmeeting" is in progress at Dublin Mills under the management of Rev. McGarvey, of Houstontown. Interesting sermons by Revs. Harry Daniels, Chas. Griffin, C. F. Weise, H. H. Swank, J. F. Glass, J. A. Garver, and F. W. Rober, were greatly appreciated by the large number of persons in attendance. Revival services will be continued in the church.

Of the many parents whose homes were brightened by the home coming of their children during the summer vacation, none were more delighted than Hon. and Mrs. D. H. Patterson at Webster Mills, whose absent children were home recently, and the vacant chairs around the family board were again filled. J. Campbell is a partner in his father's business at Webster Mills; Blanche is at home; Elizabeth has just been elected to the position of Assistant Superintendent of the Maryland University Hospital, Baltimore, Md.; Henrietta ("Dott") is in training in the same hospital, to become a professional nurse, and William M. (Billy) is at the head of the Pipe Department of the Frick Lindsay Company, Pittsburg.

No Need to Stop Work.
When your doctor orders you to stop work, it staggers you. "I can't" you say. You know you are weak, run-down and failing in health, day by day, but you must work as long as you can stand. What you need is Electric Bitters to give tone, strength and vigor to your system, to prevent breakdown and build you up. Don't be weak, sickly or ailing when Electric Bitters will benefit you from the first dose. Thousands bless them for their glorious health and strength. Try them. Every bottle is guaranteed to satisfy. Only 50c at Trout's Drug Store.

Farms In Demand in York and Adams.
York and Adams county farms continue to change hands and in almost every instance at good prices. During the past few weeks many ideal homesteads or fruit farms have been sold. Location, state and cultivation and improvements cause the prices paid to vary, but as a general rule the considerations were high, showing the demand for rural homes. That there is a decided "back to the farm" movement at present is evident from the number of persons, now residing in towns or boroughs, who have purchased farms.

For Sale!
A good kitchen range equipped with oven thermometer, warming closet, and large water tank; also a medium size double heater coal stove and a wood stove, are for sale at reasonable prices, at the Lutheran parsonage, McConnellsburg. CLIFFORD E. HAYS.

Cider Making.
The undersigned will make cider at his home near Jugtown school house Tuesday of each week for two weeks and then Tuesday and Wednesday only. NICK HOHMAN.

Metal Sign Boards.
The State Highway Department within a short time will ask for bids for sign posts to be erected at road intersections. These will be of an indestructible character, the tinger boards being of metal. The Sprout act makes provisions for the sign posts which will give accurate information regarding the location of towns, but these will not be placed a mile apart, but at every intersection.

VOTE FOR MAX H. SHEETS
For Sheriff of Fulton County
Democratic Candidate of the Rank and File

MAX H. SHEETS is a candidate for the office of SHERIFF OF FULTON COUNTY. He deserves nomination and election. MR. SHEETS, is perhaps, more widely known than any other man in this county. He has claims of a special nature upon his fellow citizens. He has been a part of the life of our county all his life, and has always contributed to the entertainment, pleasure, and progressive advancement of our citizens. In season and out of season he has been at the command of those who desired his services. Without regard to creed, politics or nationality he has always lent a helping hand when he could do so. Without money and without price, any church, society, gathering or person could call upon MAX SHEETS and receive his aid unless circumstances, over which he had no control, prevented. Now when the time has come when he may be helped why not help him? He seeks the office of SHERIFF and is thoroughly competent to perform its duties.
MR. SHEETS has been in active business in this, his native county, all his life and is one of our best citizens.
The Democratic Primary election is an open one and every vote will count. Why not help MAX SHEETS.
