An article that has real merit should in time become popular. That such is the case with Chamberlain's Cough Remedy has been attested by many dealers. Here is one of them. H. W. The Cumberland Valley Railroad has inaugurated a movement to prevent fires along its lines. Along either side of the tracks are plowed two wide furrows about fifty feet from the tracks, making a complete fire line, enclosing the area in which the locomotive sparks will fall. In years past whole fields of wheat and corn were badly burned by fire resulting from the sparks in dry weather.

**Look Before You Leap.**

Domestic infelicity seems to have developed into a mania in parts of our country. It seems too, to grow more serious every year, if the records of the divorce courts furnish us any criterion. Recently we read of Frank Brannon, 52 years old, who shot his wife Annette, 15 years his junior, in Lewistown, and then shot himself, the perpetrator of the deed injuring his wife so badly that her life is in jeopardy, while he killed himself out and out. This is only one of the many incidents of which we read in the daily Press. We have recently had brought to our notice that scandalous Beattie trial, which having been published widely in the country, is truly a disgrace to the marriage bond as well as to our country in general. The reason for all this dissatisfaction among married people is very hard to ascertain unless too many people rush into the matrimonial state without due consideration of what it means. That our country might be purged of this kind of wickedness is certainly the hope of decent people.

**VOTE FOR MAX H. SHEETS**

For Sheriff of Fulton County

Democratic Candidate of the Rank and File

MAX H. SHEETS is a candidate for the office of SHERIFF OF FULTON COUNTY. He deserves nomination and election. MR. SHEETS, is perhaps, more widely known than any other man in this county. He has claims of a special nature upon his fellow citizens. He has been a part of the life of our county all his life, and has always contributed to the entertainment, pleasure, and progressive advancement of our citizens. In season and out of season he has been at the command of those who desired his services. Without regard to creed, politics or nationality he has always lent a helping hand when he could do so. Without money and without price, any church, society, gathering or person could call upon MAX SHEETS and receive his aid unless circumstances, over which he had no control, prevented. Now when the time has come when he may be helped why not help him? He seeks the office of SHERIFF and is thoroughly competent to perform its duties.

MR. SHEETS has been in active business in this, his native county, all his life and is one of our best citizens.

The Democratic Primary election is an open one and every vote will count. Why not help MAX SHEETS.
