Burns Husband Clothes.

In order to prevent her husband being popular with other women, Mrs. Maggie Reley, of Wilkesbarre, Pa., burned up all his good clothes while he was at work, and now he has only his working clothes until pay day. Mrs. Reley discovered her husband was partial to other women, and she piled his clothes in a heap and fired them. The police and fire department arrived, and Mrs. Reley was arrested and fined \$5. She says she is satisfied, however, that her husband will not make a hit in his working clothes and will not be popular for a time at least.

THE FAVORITE LAXATIVE.

One at Night Makes the Next Day Bright; No Charge if It Doesn't.

Because of its extremely gentle and effective action, Rexall Orderlies have become the most popular Remedy for Constipation. We are so positive that Rexall Orderlies will do all that is claimed for them that we positively guarantee to hand back the money you paid us for them upon your mere request, if you are not entirely satisfied.

Rexall Orderlies are eaten like candy, are very pleasant to the taste, do not gripe, cause nausea, or any other annoyance usually experienced when ordinary cathartics are used.

Rexall Orderlies have a positive regulative effect upon the bowels and tend to provide permanent relief from Constipation and the myriad of associate ailments. Besides, they help to overcome the necessity of the constant use of laxatives to keep the bowels in normal condition.

We honestly believe there is no similar medicine so good as Rexall Orderlies, especially for children, aged, or delicate people. They are prepared in convenient tablet form in three sizes of packages. Prices, 10c, 25c, and 50c. Why not try them at our risk on our guarantee?

Remember, Rexall Remedies can be obtained in this community only at our store—The Rexall Store. Leshe W. Seylar, McConnellsburg.

Visit The Schools.

Few people have any idea what an incentive it is to both teacher and scholar to know that parents and outsiders are taking a lively interest in their work. We believe the "little folks" at school appreciate such interest more perhaps than the larger ones. Still the effect is not lost on any of them, and we hope every parent will take a hint from this and place the public school on their visiting list.

Advertising Real Estate.

Do you want to buy or sell a home, a farm or a business place? If so, my business is to help you. I have a good assortment located in every township in Fulton County.

TWO WATER-POWER GRIST MILLS in good condition, well located.

Full description of the best bargains is given in booklet form. If you want to buy, write for one. Since I have been advertising the booklets through forty-six leading newspapers throughout the country, hundreds of people from nearly every state in the Union have gotten them and are getting interested in Fulton County Fruit Lands, farms and homes. If you want to buy, now is the time, before prices advance or, strangers, come and get the best bargains. There is no scheming in this. I do not speculate on these properties. I just let you know where you can buy direct from the owner. My interest is only a small commission to pay expenses.

If you want to sell a property, there is a person somewhere who will pay you a good price for it, and there is no better way to find that party than advertising as I do, throughout the country. I charge nothing unless it is sold, then only a small commission and do not take option on it, but leave you free to sell at any time and get the highest possible price it may bring.

I will be in home office only on Monday and Tuesday of each week.
