Why Catch Cold?

It is usually the coward who catches cold. People who are afraid of fresh air and cold water are the ones who spend the winter sniffing and blowing their noses.

Sleep with your windows wide open. If you feel chilly use more covers but don't close the windows. When you rise in the morning take a cold bath.

Keep your feet dry and warm. Don't sit in draughts when you are overheated or tired. Avoid close and poorly ventilated rooms. When you leave a crowded church, theatre or moving picture show, start your blood moving by walking rapidly.

ONE MILLION DOLLARS FOR A GOOD STOMACH.

This Offer Should Be a Warning to Every Man and Woman.

The newspapers and medical journals recently have had much to say relative to a famous millionaire's offer of a million dollars for a new stomach.

This great multi millionaire was too busy to worry about the condition of his stomach. He allowed his dyspepsia to run from bad to worse until in the end it became incurable.

His misfortune serves as a warning to others.

Every one who suffers with dyspepsia for a few years will give everything he owns for a new stomach.

Dyspepsia is commonly caused by an abnormal state of the gastric juices, or by lack of tone in the walls of the stomach. The result is that the stomach loses its power to digest food.

We are now able to supply certain missing elements—to help to restore to the gastric juices their digestive power, and to aid in making the stomach strong and well.

We know that Rexall Dyspepsia Tablets are a most dependable remedy for disordered stomachs, indigestion, and dyspepsia.

We want you to try them and will return your money if you are not more than satisfied with the result.

Three sizes, 25 cents, 50 cents, and \$1.00. Remember, you can obtain Rexall Remedies in this community only at our store—The Rexall Store, Leslie W. Seylar, McConnellsburg.

DECISION SHORTENS TERMS.

County and Borough Officials Affected if Lower Court is Sustained.

According to George D. Thorn, chief clerk of the State department at Harrisburg and an authority on election matters, if the decision of Judge L. L. Davis of Allegheny County, in the case of the so called McKeesport "rip per" bill is sustained by the higher courts, it will deprive hundreds of municipal and county officers throughout the state of extensions of terms the recent Legislature endeavored to grant them. He says:

"The decision of Judge Davis is far-reaching and effects more public officers than any decision that has been made for many years past. The decision wipes off the statute books the so called "Alter act," which provided for the extension of terms of officers not provided for by the schedule to the amendments adopted in 1909. This includes all Justices of the Peace and Aldermen elected in 1907, and also borough and township officers elected for three years terms in 1909. All these officers will serve only until the end of the term for which they were elected, which is the first Monday in March or April or May, 1912, as the case may be.

"Under the Alter bill these officers were continued in office until the first Monday in January, 1914.

"All county officers elected in 1909 are in the same position, and, instead of serving four years, will serve but three, and vacancies will occur at the end of the three years for which they were elected, which will be filled by appointment."

Mr. and Mrs. Allen Cutchall, of Three Springs, are spending a few days in the home of Mr. and Mrs. Morrow Kirk of this place. Tuesday evening Mr. Cutchall drove out to Hustontown in his 1912 Overland, and brought to town Wednesday morning Mr. and Mrs. Nevin S. Kirk. On account of the fact that Nevin has been a great sufferer from rheumatism, it is his first trip to McConnellsburg for twenty years, and he is enjoying the trip very much.

Was Equal to the Occasion.

The elder Sothern, the creator of the Lord Dundreary fame, was extremely sensitive to interruptions of any sort. Seeing a man in the act of leaving his box during the delivery of one of the actor's best speeches he shouted out: "Hi, you sir, do you know there is another act?" The offender was equal to the occasion, however; he turned to the actor and answered cheerfully: "Oh, yes; that's why I'm going!"—In Lighter Vein.

Some Big Chain Cables.

Some of the biggest, if not the biggest, chain cables in the world are those made in South Wales for certain new quadruple-screw turbine Atlantic liners. The iron bar used in making the links is three and three-quarter inches in diameter at the smallest part. Each link is about twenty-two and a quarter inches long, and weighs about 160 pounds. When tested for strength, the breaking stress of 265.7 tons required by law, instead of fracturing these gigantic links, simply elongated them about one inch. With the highest stress that the testing-machine could give, about 370 tons, the links showed no signs of cracks.
