#### CONFIDENCE.

We Back up Our Statements With Our Personal Reputation and Money. B. W. PECK, Editor and Proprietor.

We are so positive that we can relieve constipation, no matter how chrome it may be, that we offer to furnish the medicine free of all cost if we fail.

We think that it is worse than useless to attempt to cure constipation with cathartic drugs. Cathartics may do much harm. They may cause a reaction, irritate and weaken the bowels, and

make constipation more chronic. Constipation is often accompanied and may be caused by weakness, of the nerves and muscles of the large intestine or colon. To expect a cure you must therefore tone up and strengthen those parts and restore them to

healthier activity. The discovery of the active principle of our remedy involved the labor of skillful research chemists. This remedy produces results such as are expected from the best of the best-known intestinal tonics, and it is particularly prompt in its results.

We want you to try Rexall Orderlies on our guarantee. They are exceedingly pleasant to take and are ideal for children. They apparently act directly on the nerves and muscles of the bowels, having, it would seem, a neutral action on other organs or glands. They do not purge or cause inconvenience. If they do not positively cure chronic or habitual constipation and thus relieve the myriads of associate or dependent chronic ailments, your money will be refunded. Try Rexall Or derlies at our risk. Three sizes of packages, 10c., 25c., and 50c. Remember, you can obtain Rexall Remedies in this community only at our store-The Rexall Store.
