What other educative force that any man can bring into his home can compare with the daily news paper? In making choice of newspapers the local newspaper should always be preferred for local news. In the wider general field The Philadelphia Record 1s a general favorite; because it is --clean; because it is accurate; because it is impartial; because it is in no sense yellow. These are the peculiarities and superiorities which have made it the most widely circulated of Pennsylvania daily morning newspapers.
