For Cramps,

A piece of old-fashioned candlewick worn around the leg in the garter place, next to the skin, will prevent, or cure, cramp in the calf of the leg or in the foot. I have proved this by personal experience; I believe this would prove effectual in preventing swimmers' cramp; those liable to cramp while in the water would be wise to try it. Cottonbatting, wrapped round the body from the arm-pits downward, saved the life of a man suffering agony from painters' cramp; it gave almost instant relief.—National Magazine.

FROM TEXAS Some Coffee Facts From the Lone Star State.

From a beautiful farm down in Texas, where gushing springs unite to form babbling brooks that wind their sparkling way through flowery meads, comes a note of gratitude for delivery from the coffee habit,

"When my baby boy came to me five years ago, I began to drink Postum, having a feeling that it would be better for him and me than the old kind of drug-laden coffee. I was not disappointed in it, for it enabled me, a small, delicate woman, to nurse a

bouncing, healthy baby 14 months. "I have since continued the use of Postum for I have grown fond of it, and have discovered to my joy that it has entirely relieved me of a bilious habit which used to prostrate me two or three times a year, causing much discomfort to my family and suffering to myself.

"My brother-in-law was cured of chronic constipation by leaving off coffee and using Postum. He has betome even more fond of it than he

was of the old coffee. In fact, the entire family, from the latest arrival (a 2-year-old who always talls for his 'potie' first thing in the morning), up to the head of the house, think there is no drink so good or so wholesome as Postum." Name given by Postum Co., Battle Creek, Mich.

(By EDGAR WILLETT.) If I live to be as old as Sam Thompson there is one series of games I never will forget And when I forget that series there will be one play still left in my mind. The series is the one that the Tigers and Athletics played late in that season when we fought them out to the finish away they who came because others came. from home and won by a nose the and began by staring at the audience, right to play Chicago for the world's championship.

For exciting situations and desperate playing, I believe that series is the greatest ever played. The nineteen-inning game in which we beat them is only a part of it. But the play that I never can forget was one by which Charlle O'Leary and Hermann Schaefer saved one of the games for us Just bow O'Leary ever managed to make tout play I can't guess. It was one of those impossible plays that a game player sometimes makes simply because he has to

The situation, as I recall it, was this: Detroit was one run to the good late in the game, and it looked as if that one run was about enough to win on, until, with one out either in the seventh or eighth inning, two sharp bits put Athletic runners on first and third and made it look had for the Tigers The next batter up-I have forgotten who it was, but think it was Harry Davis-hit the ball straight through the box and as clean across the top of second base as a

SCALES ALL OVER HER BODY

"Allow me to say a few words in praise of the Cuticura Remedies. About three years ago, I was affected by white scales on my knees and elbows. I consulted a doctor who treated me for ringworm. I saw no change and consulted a specialist and he claimed I had psoriasis. I continued treatment under him for gbout six months until I saw scales breaking out all over my body save my face. My scalp was affected, and my hair began to fall. I then changed doctors to no avail. I went to two hospitals and each wanted to make a study of the case and seemed unable to cure it or assure me of a cure. I tried several patent medicines and was finally advised by a friend who has used Cuticura on her children since their birth, to purchase the Cuticura Remedies. I purchased a cake of Soap, the Ointment and the Resolvent. After the first application, the itching was allayed.

"I am still using the Soap and Ointment and now feel that none other is good enough for my skin. The paoriasis has disappeared and I everywhere feel better. My hands were so disfigured before using the Cuticura Remedies that I had to wear gloves all the time. Now my body and hands are looking fine."
