C. E. Starr at Three Springs is selling coal oil at 7 cents a gallon. 10-1914.

The case of William Reed, convicted of the murder of Sarah Mathna, is the Franklin county court, has been appealed to the Supreme Court.

Mrs. Fay Sipe of Harrisonville and Mrs. Sara Beseker of Mercersburg have returned to their homes after a pleasant visit to Mrs. Edgar S. McKnight "the former's sister" at Washington, D. C.

"It is a pleasure to tell you that Chamberlain's Cough Remedy is the best cough medicine I have ever used," writes Mrs. Hugh Campbell, of Lavonia, Ga. "I have used it with all my children and the results have been highly satisfactory." For sale by all dealers.

Mrs. Elizabeth Raisbeck and daughter Miss Zola of Erie, Pa., who have been visiting the former's parents Mr. and Mrs. T. B. Stevens of this place have gone to Hustontown to visit friends and relatives.

Is your husband cross? An irritable, fault finding disposition is often due to a disordered stomach. A man with good digestion is nearly always good natured. A great many have been permanently cured of stomach trouble by taking Chamberlain's Tablets. For sale by all dealers.

A report is going the rounds that human bones have recently been found a short distance south of Betsy Mellot's Gap on Sideling Hill mountain. Another report is that the body of a man was found on Sideling Hill or near the Hunting Club's grounds on Sideling Hill mountain.

"There could be no better medicine than Chamberlain's Cough Remedy. My children were all sick with whooping cough. One of them was in bed, had a high fever and was coughing up blood. Our doctor gave them Chamberlain's Cough Remedy and the first dose eased them, and three bottles cured them," says Mrs. R. A. Donaldson, of Lexington, Miss. For sale by all dealers.

Sheriff Gilian, of Chambersburg, Franklin county, has brought suit against the county for \$2,000 to recover this amount, claimed to be due him as fees for committing and discharging prisoners during his three years term of office. The decision of this case may affect the sheriffs of other counties throughout the state. Judge Shull, of the Perry county courts, went to Chambersburg on Monday last, to hear the case, the decision in which is awaited with great interest.

FREE IF IT FAILS.

Your Money Back if You are not Satisfied With the Medicine We Recommend.

We are so positive that our remedy will permanently relieve constipation, no matter how chronic it may be, that we offer to furnish the medicine at our expense should it fail to produce satisfactory results.

It is worse than useless to attempt to cure constipation with cathartic drugs. Laxatives or cathartics do much harm. They cause a reaction, irritate, and weaken the bowels and tend to make constipation more chronic. Besides, their use becomes a habit that is dangerous.

Constipation is caused by a weakness of the nerves and muscles of the large intestines or descending colon. To expect permanent relief you must therefore tone up and strengthen these organs and restore them to healthier activity.

We want you to try Rexall Orderlies on our recommendation. They are exceedingly pleasant to take, being eaten like candy, and are ideal for children, delicate persons, and old folks, as well as for the robust. They act directly on the nerves and muscles of the bowels. They apparently have a neutral action on other associated organs or glands. They do not purge, cause excessive looseness, nor create and inconvenience whatever. They may be taken at any time, day or night. They will positively relieve chronic or habitual constipation, it not of surgical variety, and the myriads of associate or dependent chronic ailments, if taken with regularity for a reasonable length of time. 12 tablets, 10 cents; 36 tablets, 25 cents; 80 tablets, 50 cents. Sold in McConnellsburg only at our store—The Rexall Store. Leslie W. Seylar.

CLEAR RIDGE.

Going are the beautiful flowers of Autumn.

Dr. F. K. Stevens, of the County Seat, is spending part of this week a guest in the home of his wife's parents Mr and Mrs N. B. Henry, he is here on a gunning expedition.

Lewis Cohin, of Harrisburg, was here a few days the past week.

The rapid advance in the cost of horse feed has been remarkable and the poor animal will soon be the victim of the high cost of living, just as his human master is.

Russel Ramsey the jeweler of McConnellsburg and Robert Fleming the blacksmith arrived at this place Tuesday to be in time for the first day of the hunting season.

Mr. and Mrs Cloyd Everhart of the Cove spent a day recently with her parents Mr and Mrs J. H. Fields at this place.

Balked at Cold Steel.

"I wouldn't let a doctor cut my foot off," said H. D. Ely, Bantam, Ohio, "although a horrible ulcer had been the plague of my life for four years. Instead I used Bucklen's Arnica Salve, and my foot was soon completely cured." Heals Burns, Boils, Sores, Bruises, Eczema, Pimples, Corns, Sorest Pile cure 25c at Trout's drug store.

A comet is now visible in the east from 3 to 5 o'clock in the morning. Persons who have seen it say it is a beautiful sight.

Is The Church Making Good?

By Rev. Charles Stelzle.
Whenever I hear a man declare, with emphasis, that the Church is a failure; that it is a waning power; that it is an effete institution which will soon be superseded by another organization, I am reminded of the anvil that wore out many a hammer. The Church is the anvil and the "knocker"—well, he is another hammer. We will admit, at once, that the Church needs to be criticised—severely criticised, sometimes. But there are certain facts of which we must not lose sight. When it is said, for example, that the "Church having failed, outside agencies have arisen and today they are taking the place of the Church," it should not be forgotten that the religious institutions which are supposed to rival the Church are all of them supported by the Church. The Young Men's Christian Association, for example, is the Church at work among men. The rescue mission, or the Salvation Army, is the Church specializing upon certain classes of people. What ever one may think of the value of these agencies and of their effectiveness, they are not really rivals of the Church in the sense that they have been organized because the Church has failed to make good. Not every Church can be run as the Salvation Army is being conducted, for instance. In ministering to the spiritual needs of the world, the Church has simply learned to adapt itself to various constituencies. And the workingman, who, for social reasons which are perfectly legitimate, does not care to go to the rich man's Church for fear of being patronized—and I don't blame him much for this—greatly prefers a church made up of his own class, where he can hold his own with the rest of the people. There is such a thing as "class democracy," and the church, in its dealings with men, has learned to recognize this very human fact. We may theorize about it as we please and wish that conditions were otherwise, but we must take people as we find them. When it is asserted that the churches are not doing anything in the work of caring for the unfortunate in our great cities who are outside of the Church, I recall a very extensive study which was recently made among the social workers in the United States. This study revealed the fact that while the church membership in this country is only about one third of the entire population, it furnishes 75 per cent. of the social workers.

Saved Many From Death.

W. L. Mock, of Mock, Ark., believes he has saved many lives in his 25 years of experience in the drug business. "What I always like to do," he writes, "is to recommend Dr. King's New Discovery for weak, sore lungs, hard colds, hoarseness, obstinate coughs, la grippe, croup, asthma or other bronchial affection, for I feel sure that a number of my neighbors are alive and well today because they took my advice to use it. I honestly believe it is the best throat and lung medicine that's made." Easy to prove he's right. Get a trial bottle free, or regular 50c or \$1.00 bottle. Guaranteed by Trout's drug store.
