Don't waste your money buying strengthening plasters. Chamberlain's Liniment is cheaper and better. Dampen a piece of flannel with it and bind it over the affected parts and it will relieve the pain and soreness. For sale by all dealers.

The great increase in freight on the Pennsylvania railroad and branches entering Harrisburg, will result in a big increase in the pay roll for October. It is said at least \$1,500,000 in wages will be paid out in Harrisburg the first half of November. Of this amount \$50,000 will be paid employes of the C. V. R. R. resident in Harrisburg.

The boy's appetite is often the source of amazement. If you have such an appetite take Chamberlain's Tablets. They not only create a healthy appetite, but strengthen the stomach and enable it to do its work naturally. For sale by all dealers.

**WHIPS COVE.**

The close of another seasons work is near at hand a season of storms and of sunshine, and of droughts not a little, but with all the adverse circumstances that the farmers have been called to go through with, surely he has gained the victory, once again.

We believe we have heard as little complaining on the part of the farmer this fall as we have ever heard and this alone is worthy of particular note. Not that he is a chronic complainer, but that he is predisposed to look on the dark side (for some reason which we cannot account for) of things when all doesn't go just right. And surely he has had ample opportunity this season.

Simon Deshong and wife, of Worton, and Sherman and Russell Star of Chestertown Md. came out to N. W. Mellott's Thursday where they remained until Saturday morning when they in company with Andy Mellott and wife of this place left for Joseph Starr near Bedford. They returned Sunday evening.

Aaron and Elija Brewer who with their parents and rest of the family left this county forty seven years ago last month to make their home in Illinois, and this being their first visit back to their old birth place, have been visiting friends and relatives the past two weeks over Sideling-hill and at Bedford came to N. W. Mellott's Saturday in company with Jef. Mellott who was conveying them around and Mrs. Mary Price of Bedford.

Sunday visitors and visited—Ed Diehl and wife, Alf Layton and wife in the home of Miller Truax's, Mary Price, and Elija and Aaron Brewer and Nathan Mellott in the homes of Samuel Diehl and D.C. and Asa Mellott D.C. Mellott and family in the home of N. W. Mellott.

The Bell telephone men are at work on the line to Nathan Mellott and Robert Diehl's residences.

Our sportsmen are beginning to get busy, some of them have made some good catches already.

Fannie Diehl continues very poorly.

A Photograph distributor was through our section last week with some photos taken by a traveler some time ago. We would in all events call the dog and give our trade to a local photographer whom we knew did good work and one price for each grade.

We have very often wondered why people were so eager to lay hold on a proposition made by a stranger of whom they knew nothing, we believe they enjoy being beaten.

**AVOID HARSH DRUGS.**

Many Cathartic Tend to Cause Injury to the Bowels.

If you are subject to constipation, you should avoid strong drugs and cathartics. They only give temporary relief and their reaction is harmful and sometimes more annoying than constipation. They in no way effect a cure and their tendency is to weaken the already weak organs with which they come in contact.

We honestly believe that we have the best constipation treatment ever devised. Our faith in it is so strong that we sell it on the positive guarantee that it shall not cost the user a cent if it does not give entire satisfaction and completely remedy constipation. This preparation is called Rexall Orderlies. These are prompt, soothing, and most effective in action. They are made of a recent chemical discovery. Their principal ingredient is odorless, tasteless, and colorless.

Combined with other well-known ingredients, long established for their usefulness in the treatment of constipation, it forms a tablet which is eaten just like candy. They may be taken at any time, either day or night, without fear of their causing any inconvenience whatever. They do not gripe, purge, nor cause nausea. They act without causing any pain or excessive looseness of the bowels. They are ideal for children, weak, delicate persons, and aged people, as well as for the most hearty persons.

They come in three size packages, 12 tablets, 10 cents; 36 tablets, 25 cents; 80 tablets, 50 cents. Remember, you can obtain them only at our store—The Rexall Store. Leslie W. Seylar.

**DANE.**

Mr. and Mrs. B.S. Wible spent Saturday very pleasantly in the home of their daughter Mrs. W. Scott Brant.
