Another son has recently entered college. There is quite a Fulton County colony down on the Eastern shore, and all the families who made the venture, have had no reason to regret it.

CAUSE FOR ALARM.

Loss of Appetite or Distress After Eating a Symptom That Should Not Be Disregarded.

Appetite is just a natural desire for food. Loss of appetite or stomach distress after eating indicate indigestion or dyspepsia. Over eating is a habit very dangerous to a person's good general health.

It is not what you eat but what you digest and assimilate that does you good. Some of the strongest, heaviest, and healthiest persons are moderate eaters.

There is nothing that will cause more trouble than a disordered stomach, and many people daily contract serious maladies simply through disregard or abuse of the stomach.

We urge all in McConnellsburg who suffer from any stomach derangement, indigestion, or dyspepsia, whether acute or chronic, to try Rexall Dyspepsia Tablets, with the distinct understanding that we will refund their money without question or formality, if after reasonable use of this medicine, they are not perfectly satisfied with the results. We recommend them to our customers every day, and have yet to hear of any one who has not been benefited by them. We honestly believe them to be without equal. They give very prompt relief, aiding to neutralize the gastric juices, strengthen the digestive organs, to regulate the bowels, and thus to promote perfect nutrition, and eradicate all unhealthy symptoms.

We urge you to try a 25c box of Rexall Dyspepsia Tablets, which gives 15 days' treatment. At the end of that time, your money will be returned to you if you are not satisfied. Of course, in chronic cases length of treatment varies. For such cases, we have two larger sizes, which sell for 50c and \$1.00. Remember, you can obtain Rexall Remedies in this community only at our store—The Rexall Store. Leslie W. Seylar.

Lenore E. Downes.

Lenore Elizabeth Downes, daughter of William and Elizabeth Downes, died at Franklin Mills, this county, on the 5th inst., at the age of twenty-six years and two months.

Lena, by which name she was familiarly known, had been working in Tera Alta, Va., for about six years. She was a faithful employe and was much esteemed by her employers. She was a member of the Presbyterian church of Warfordsburg, and her remains were laid to rest in the cemetery at that place, followed by a large concourse of friends and relatives, also by a delegation from Tera Alta, and members of the lodge to which she belonged.

She is survived by her father and mother and also by the following brothers and sisters: Newton Thomas, of West Virginia; Reed McDonald, Washington, D. C., and George C., Warfordsburg; Mrs. Ella Ranck, Cumberland, Md., and Devona, at home.

The Rayo Lamp is an insurance against eye troubles, alike for young and old.

The Rayo is a low-priced lamp, but it is constructed on the soundest scientific principles, and there is not a better lamp made at any price. It is easy on the eye because its light is so soft and white and widely diffused. And a Rayo Lamp never flickers. Easily lighted without removing shade or chimney; easy to clean and service.
