#### Laude Home-Baked Loaf, In Farm and Fireside, Jessie V. K.

Burchard writes an article entitled "Breads Made With Yeast," in which she gives a number of recipes. Folcomment:

"In these days of bakeries on every corner in town, and traveling bread wagons through the country, the fine art of breadmaking is degenerating. It is too much trouble to mix and knead best bakers' bread is far inferior to The sight was really phenomenal, the home-made product, and I rejoice for all the sky seemed to be clouded that breadmaking, as well as stockingexcept one small place that had been darning, is being taught in more pub-

"The bread-mixer makes the process shut out the ball of fire, and the sun's so easy and simple that almost any would find in buying a new rug for to the various uses the first visit in days had ended.

# TWO THORNS IN HUERTA'S SIDE

"General" Eufemio Zapata (left) and "General" Emiliano Zapata (right), the brothers who are terrorizing the federalists of southern Mexico by their guerilla warfare. They are merely brigands, willing to sell their services to the best payer.

One Idea of Practical Woman.

Our idea of a practical woman is one who can get as much pleasure out nut crop of this country has an anof changing the chiffonier to where nual value of between \$40,000,000 and the dresser stood and the dresser to \$50,000,000. It is growing in value where the chiffonier stood as she annually This is due, in the main, would find in buying a new rug for to the various uses the peanut is be-
