## JAPANESE ARE NOW ON GUARD

Landed From Cruiser to Protect the Legation.

SEVERAL SIGNIFICANT MOVES

Reported That the Mexican Rebels' Attack Upon Tampico Is About To Be Renewed-A Great Battle Also Expected At Mazatlan.

Washington.-The Japanese have landed an armed guard from their battle cruiser Idzuma for the protection of the Mikado's legation at Mexico City. Confirmation of this information sent out as a "report" was obtained at the Navy Department. This government has been advised of the step by Charge d'Affaires O'Shaughnessy, but no explanation has been offered by the Japanese government either directly or through the Japanese ambassador at Washington.

The incident is known to be the cause of anxiety to the State, War and Navy departments, the three great branches of the government which must bear the brunt of our relations with Mexico as well as with the foreign powers, whose interests are involved.

Whether or not the developments of the day are predicted upon this secret move they are both interesting and
