Every seeming defeat of the temperance movement by local workers only hastens the day when we will have National prohibition.

The property of the late John W. Greathead, consisting of the storeroom and adjoining dwelling, was sold at public sale last Saturday to D. A. Little, for \$5000.00

HIDES.—Frank B. Sipes pays the highest market price for beef hides at their butcher shop in McConnellsburg, also highest price paid for calf skins sheepskins and tallow.

Idea is constantly changing. So also most men change. The methods of yesterday are not those of today—nor will those of the present be in vogue tomorrow. The man who will not change is a check on progress—he retards the onward march of others.

At the recent term of court held in Bedford not a single criminal case was heard. This record is equalled by the one held the previous week in Mifflin county where there was no criminal business. These courts are presided over by Judge Woods, the anti-license Judge.

Those who pin their faith to the ground hog may prepare for six more weeks of winter—he saw his shadow last Tuesday morning. The sun rose in a perfectly clear sky, and while the air was frosty, overcoats were laid aside as soon as Old Sol got his head well over Cove Mountain.

R. L. McClure, will remove on April first, from the Austin farm at Saluvia to the McElvaine Hotel on top of Sideling Hill to take charge of that property for the present owner, Hon. J. E. Thorpe of Everett. Mr. McClure will manage the farm as well as the hotel, at that place, during the next year.

"Our common schools have failed signally to cultivate general intelligence" shouts an educator of thirty years' experience. This gentleman leaves us in the dark as to the reason why the boys and girls of some of the families attending the same school, develop more intelligence than those having equal chance, from other families.

Misses Cora Doran and Ruth McGeehe of Burnt Cabins, and Harry Montague of Decorum, suffered a mishap while sleighing. While trotting along they met a team and in turning out to pass it their sleigh upset and all were thrown out. Miss Doran suffered a cut on her cheek and bruised and scratched her hands. The other occupants of the sleigh escaped injury.

One of our exchanges asks the significant question, Has the cigarette law been forgotten? and quotes a dealer in that town as claiming that there are signs of laxity in the observance of the law forbidding dealers to sell to boys, as well as prohibiting boys from smoking them, and compelling the boys to tell who sold or gave them the "coffin nails."

Mr. C. H. Mann, postmaster and general merchant at Saluvia, this county, left this place on the five o'clock bus last Saturday, morning for Philadelphia where he will purchase a round trip ticket for southern parts of Florida. Uncle Sam granted Charlie a thirty-day leave of absence from the postoffice and he will spend the time in his favorite state, among the orange groves.

When You're Sick Your Wages Stop.

You know what that means—misery—worry—big bills—debt! You know you can't afford to get sick. Keeping in good health means food and clothing for you and your family. It is up to you to take care of yourself. It is up to you, whenever you don't feel right, to take something to make you right, to strengthen you, build you up, ward off worse sickness—protect you and your family. That thing we have in Rexall Olive Oil Emulsion. In offering it to you, we protect you against money-risk, by personally promising you that, if it does not restore your health, we will give back your money without word or question. We believe it is the best builder of health, energy and strength you can get. It is helping many of your neighbors. If it doesn't help you, we will give back your money.

Rexall Olive Oil Emulsion is composed principally of pure Olive Oil and the Hypophosphites. Each has long been endorsed by successful physicians. Here they are for the first time combined. The result is a remarkable nerve, blood and strength-building remedy that is both food and medicine. For all who are nervous, rundown and debilitated—no matter what the cause; for old people; for convalescents; for puny children, we know of nothing that will give health and strength as quickly as Rexall Olive Oil Emulsion. It is a real builder of good blood, strong muscles, good digestion. Pleasant to take, it contains no alcohol or habit-forming drugs. If you don't feel well, economize both time and money by beginning today to take Rexall Olive Oil Emulsion. Sold only at the Rexall Stores, and in this town only by us. \$100.—Leslie W. Seylar, McConnellsburg.

Big Week. Mar. 8-15.

A Contest for Membership in every S. School in the County will be among the Big Things of the Week. Team work to win men and women to school. Yes there will be rivalry, good Christian enthusiastic rivalry. And why not? One of our Supts. visiting in Philadelphia heard of the Big Week Movement as reported by our papers and at once dropped the secretary a letter with a self addressed stamped Envelope for a reply asking for further information. That is what I call "Being Alive." I am confident that you will pull Fulton County out into the Front Line Schools and Advanced Standard for the County this Summer. You remember how splendidly and quickly you responded Last Fall to subscribe to the S. S. Patronage Movement for expenses When the call came for at least Fifty to give one dollar each. As Secy. this gives me confidence that you will do things this Summer.

Here is the plan for the Big Week. Every Supt. will begin now to line up two strong teams in his Sabbath School. Two leaders appointed to "choose up" as we used to do when we wanted to play a game of ball. Each team select a name. Each team will write out a list of names of the people who do not belong to a Cradle Roll, a Home Department or a Sabbath School of its own Community. Then members of each team will go by two or four or a dozen or more at a time and ask every body to enroll in the school. The week when the general canvass for each school will be made is the Big Week. On March 15 the Score will be counted by each Sec. of the school and the New Membership reported to the Sec. of the County.

Next week some more about this work.

ROBT. E. PETERMAN, Secretary.

Birthday Party.

Last Saturday evening about forty friends met at the Lake residence on the Pike, two miles west of this place, to celebrate Mrs. John Lake's birthday. One of the guests told a NEWS man that the evening was spent in a very pleasant manner, it being one of those delightful affairs that bring neighbors together for a good time—the kind that sends every one home refreshed in spirit, with chance "blues" dispelled like vapor on a sunny morning.
