Reno had an earthquake last week; but the damage was small compared with that of the courts of that place.

The sorriest slave is the man who—like water—gravitates through life along the line of least resistance.

Protracted meeting began in the Cedar Grove church last Saturday evening, by the pastor, Rev. McManiman.

President Wilson recognizes the newspapers as possessing the greatest of power. Which way is your favorite newspaper leading?

We feel sorry for some of the city people who heard the call "Back to the land!" Perhaps a few of them may survive long enough to learn to farm.

The "Funny" man's joke that the government at Washington is "run by water power" expresses truth, poetry, and comfort. May the mill never run dry.

Feed your hens bone meal; clover and alfalfa meal, charcoal and oyster shell and your egg basket will fill up. Buy it at Irwin's.

HIDES.—Frank B. Sipes pays the highest market price for beef hides at their butcher shop in McConnellsburg, also highest price paid for calf skins, sheepskins and tallow.

The \$1,000,000 said to have been given by the liquor dealers to fight the Anti Liquor League in this State, during the coming campaign, looks as if they thought "internal" combustion engines, instead of "water power," would be best for the country.

Congress is to probe the question of why there are so many unemployed. An exchange answers the question when it says: "You may have noticed that there are three panhandlers at your back door to one who comes boldly up to the front door with a shovel to clear your sidewalk.

We are pleased to notice in the Public Opinion, Chambersburg, that Roy C. Cromwell had a good sale at his home in Franklin county on Tuesday, of last week. Horses sold as high as \$225; cows, \$75; hogs, \$5 to \$8. The farm implements brought fairly good prices. His sale amounted to \$3,060.

One of our esteemed subscribers informs us that he feels sure there is a secret organization among the lazier class of young men in his community, to live off the "old folks" during the winter months. These young fellows are about the age when they feel a mustache beginning to tickle—in other words, the gosselin age when they know three times as much as the old man ever did or ever will know.

A number of local farmers reported to this office that they tested their seed corn last spring and planted only from such ears that showed largest percentage of germination, and that the small amount of trouble was repaid many times in the good stand of corn. Some seemingly good ears are low in germinating vitality. Test by planting in little squares in boxes, or by laying between wet cloths kept warm and moist, night and day. Number the squares to correspond with the ear from which taken.

Fact.

Evidence that can be verified. Fact is what we want. Opinion is not enough. Opinions differ. Here's a McConnellsburg fact. You can test it.

F. M. Taylor, civil engineer, Water St., McConnellsburg, Pa., says: "I suffered from severe pains in my back and loins. I had weak kidneys, the action being somewhat irregular. I was advised to use Doan's Kidney Pills by a friend at Burnt Cabin who told me how he had been cured by them. I got a box and could notice a difference immediately. Doan's Kidney Pills gave me great relief. I always take them with me when I go out of town because if I catch cold, I get a slight attack of the trouble. When this occurs I can always depend on Doan's Kidney Pills. I recommend this remedy when ever I hear anyone suffering from back ache or kidney weakness. I confirm the endorsement I gave Doan's Kidney Pills some years ago."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Taylor had. Foster Milburn Co., Proprietors, Buffalo, N. Y.
