SALVIA

Our people were much saddened to hear of the death of Mrs. Mary Melus, an aged lady who lived about one mile north east of Laidig.

Not a single peep of skepticism now about the ground hog not being a correct weather prophet. See the Chambersburg and Bedford Turnpike Company has called a meeting on March 2nd, of stockholders, to elect manager and to transact other business. What's broke loose now?

Our County roads are opened up, but are in bad shape.

There has recently been a general uprising of our taxpayers against the locating and making a new road along the rocky and precipitous banks of Owl Creek, with the necessary new bridges, big cuts and fills, and vacating the old road which only needs a few repairs to make it the best road in the township.

God be praised, only this week of February! What will March be?

The I. O. O. F. Lodge of Harrisonville, held their annual banquet on last Saturday night.

Winter is making up lost time; better have it now than in April.

The revival services at Green Hill M. E. church were frozen and blocked out part of last week by the cold weather and drifts, being suspended Monday until Friday night. There were large congregations last Saturday and Sunday nights, taking as high as thirty-eight sleds, five sleighs and a buggy to carry all through the drifts.

Many sinners have been standing on slippery places; some sat down, some fell down, some took headers, but no bones broken.

Doyle Howard returned on Thursday of last week from Altoona whence he had been called on account of the serious condition of his wife who is in the Altoona Hospital afflicted with Bright's Disease; at last account she was still very low.

The firm of Rinehart and Howard had but \$600 insurance on their house; none on contents.

WHIPS LOVE.

Your humble scribe has always had a lingering suspicion about that pesky critter that emanates from his cozy domicile on the second day of the second month, and forecasts the weather for the next six weeks. O, well! Drat his hairy hide, we ve lots of wood in the shed and are rather enjoying the snow and zero weather.

Levi Smith is seriously ill; Henry Sharpe is improving; Samuel Diehl is worse; Will Diehl continues about the same as when last reported; Andy Mellott is sick; Joe Martin is under the Doctor's care; Albert Plessinger has been "under the weather" for a week; Mrs. Simon Garland is improving, and two of George Layton's children have been very sick during the past week.

James Layton, of Belle Grove, Md., has moved into the house with his brother George. Oliver Plessinger and wife spent last Sunday at George Layton's.

Watson Plessinger and wife of Emmaville, spent the time from Saturday until Sunday evening at Nathan Mellott's. D. C. Mallot and family, and Aaron Hess, spent Sunday at the same place.

Robert Diehl and family spent a day last week, with his brother Will.

Miss Harriet Spade, of Emmaville, who has been employed several weeks in the home of Frank P. Plessinger, has gone hence.

Rev. A. R. Garland and Rev. Powers will begin a series of union meetings in the Jerusalem church Sunday evening, March 1st. The meetings will be conducted under the auspices of the Jerusalem and the Whips Cove churches, and will be held part of the time in the former and part of the time in the latter.

Alfred Layton killed a grey fox on Town Hill the other day.

Since the advance in the price of furs, our fur catchers are shipping their stock into market.

Local Women Agree

With Stage Beauties.

Of all women in the world, probably those on the stage are most particular about their personal appearance, and especially in the care of the hair; and when such leading stage beauties as Ethel Barrymore, Elsie Ferguson, Natalie Alt, Louise Dresser, Rose Coghlan, Laurette Taylor and many others are so enthusiastic about Harmony Hair Beautifier as to write in praise of it, that is certainly evidence that it does just what they say it does—that is, beautifies the hair. There are many women right in this town, and men, too, who regard it as indispensable, because it makes the hair glossier and more silky, easier to dress and make stay in place. Sprinkle a little on your hair each time before brushing it. Contains no oil will not change color of hair nor darken grey hair.

To keep hair and scalp dandruff free and clean, use Harmony Shampoo. This pure liquid shampoo gives an instantaneous rich lather that immediately penetrates to every part of the hair and scalp, insuring a quick, thorough cleansing. Washed off just as quickly, the entire operation takes only a few moments. Contains nothing that can harm the hair; leaves no harshness or stickiness.

Both preparations come in odd shaped, very ornamental bottles with sprinkler tops. Harmony Hair Beautifier, \$1.00. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold only at the more than 7,000 Rexall Stores and in this town only by us.

STORY OF A YEAR TOLD IN PICTURES.

The North American Offers to Readers an Unusual Record.

A very unusual publication, a-long entirely new lines, is The North American's "History of the Year in Pictures," a book that covers with artistic photographic reproductions all the big events of 1913 that could be treated successfully in such a way. The book, 120 pages in board covers, cost 25 cents, and is a faithful reminder of the year.

Nearly 500 finely printed half-tones are made use of in telling the story of the year. The events so treated will surprise the busy man, who would find himself stumped if called upon to name a score of the great occurrences of the year. The plague in Manchuria, the world's great inventions, the inauguration, the war in the Balkans, the completion of the Panama canal, naval advances, the conquest of the air, the succession of great rulers, women and the vote, fighting disease, labor troubles, the western floods, the Gettysburg celebration and numbers of other events are fully and faithfully pictured and photographed.

The North American book is a faithful book of reference for young and old students of current events. It is surprisingly cheap.

Price, 25 cents; by mail, 10 cents extra.

In every family are chairs, bureaus, tables, stands, lounges and other kinds of furniture that would be just as good as new, if they were placed in the hands of a practical mechanic; and the cost would not be much when compared with the value. Old furniture can be made to look like new; in fact, just now, old furniture polished and fixed up is more valuable than when first made. It may not be generally known that

We Promise You Relief from All Stomach Troubles Or Your Money Back

We honestly believe we have the best remedy in the world for indigestion and dyspepsia. We urge you to try it at our risk. If it doesn't relieve you—as we feel sure it will—we'll give back your money without a word. You know us—your family druggist. You know we wouldn't dare recommend anything we didn't know about, nor dare to break a promise. Therefore, when we recommend any remedy it is because we believe it to be better than any other to relieve the ailment for which it is made, and when we prove our faith in it and our sincerity toward you by promising to give back your money if it doesn't relieve you and in every way satisfy you, you have no possible excuse for doubt or hesitation.

Rexall Dyspepsia Tablets

are, we honestly believe, the best remedy made for Indigestion, Dyspepsia and all other Stomach Ills

We Know They're Good

Rexall Dyspepsia Tablets, in addition to other ingredients, contain Pepsin and Bismuth, two great digestive aids used by the entire medical profession. They soothe the inflamed stomach, check the heartburn and distress, stimulate a healthy secretion of the gastric juice, aid in rapid and comfortable digestion of the food and help to quickly convert it into rich red blood, and thereby into flesh, bone and muscle. They relieve stomach distress promptly, and, used regularly for a short time, tend to restore the stomach to a comfortable, easy-acting, healthy state. They aid greatly to promote regular bowel action.

Delays Are Dangerous

Don't neglect indigestion, for it frequently leads to all sorts of ills and complications. The pain and discomfort is not the most unfortunate part. The fact that when the stomach is not acting right, the material needed to repair the wastes that are constantly taking place in the body is not being given to the blood either in the proper condition or fast enough is far more serious. Nothing will cause more trouble than an unhealthy stomach. The blues, debility, lack of strength and energy, constipation, biliousness, headaches and scores of other serious ailments result from the failure of the stomach to properly do its work.

You Risk No Money

Our willingness to have you use Rexall Dyspepsia Tablets entirely at our risk proves our faith in them. We always sell them this way, and it is because we know that they have greatly benefited scores of sufferers to whom we have sold them. There's no red tape about it says, "We'll ask you no questions. You needn't sign anything. Your word is enough for us. We know that when they help you you will consider it money well spent even if they had cost you ten times as much. If they don't help you, the money you paid for them is yours, and we want you to have it."

Sold only at the more than 7,000 Rexall Stores—the World's Greatest Drug Stores. In convenient boxes—three sizes: 25c, 50c, \$1.00
