**We Can Now Supply**

**This Hair Preparation.**

Our big Harmony Laboratories in Boston have caught up with their orders now and so we won't have to disappoint any who are using Harmony Hair Beautifier and want more of it or any who have been advised by your friends to use it. We can now fill all demands, even if it becomes even more of a rage than it is now.

Harmony Hair Beautifier is just what it is named—a hair beautifier. It is not a hair dye or hair oil—but a dainty, rose-perfumed liquid dressing to give the hair its natural gloss and brightness, wavy softness, rich beauty. Easy to apply—simply sprinkle a little on your hair each time before brushing it. Contains no oil, and will not change color of the hair, nor darken gray hair.

To keep your hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure liquid Shampoo gives an instantaneous rich lather that immediately penetrates to every part of hair and scalp, insuring a quick and thorough cleansing. Washed off just as quickly, the entire operation takes only a few moments. Contains nothing that can harm the hair; leaves no harshness or stickiness—just a sweet-smelling cleanliness.

Both preparations come in odd shaped, very ornamental bottles, with sprinkler tops. Harmony Hair Beautifier, \$1.00. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold only at the more than 7,000 Rexall Stores and in this town only by us.

**WEST DUBLIN.**

Margaret Kirk has returned from a visit to relatives and friends in Pittsburgh during the months of January and February. The weather was not quite so cold and there was not so much snow in Pittsburgh at that time as here.

Pearl Barton, of Six Mile Run, visited her cousin, Mrs. George Heefner, and other relatives in this township last week.

Cristabel Lamberson, of Hustontown, visited at Elliott Kirk's on Saturday and Sunday.

The melting of the snow will necessitate attention to the roads, soon; the ditches being filled, and water running down the road beds.

Seven deer were seen the latter part of last week near the State road on the western side of Sideling Hill. A short time ago some wild turkeys were seen on the same road.

Silas Mellott and Ruth Foreman who were married last week have the best wishes of their friends for a happy and prosperous voyage on the sea of life.

Harry Clevenger and Howard Kirk drove to Harrisonville last Saturday evening to attend Lodge. Owing to the half-opened roads and melting snow, their journey was not devoid of "troubles." However, they arrived at home safe and sound early on Sunday morning.

David Hershey brought a load of coal from Figard's mine on Saturday while the snow was leaving. Davy says you could stall going down hill.

One evening recently Daisy Hoover had an errand to the spring house. When she opened the door she saw an animal of the genus putorius, species mephitis varianus. While women folks are generally fond of cats and other animals, Daisy was not particularly anxious to welcome this animal.

Later, Dallas Brant was told of the presence of the animal, and being interested in the fur business, he despatched the animal.

Harry Deshong drove over from Kearney in a sled Saturday afternoon and returned Sunday afternoon. With the exception of a few muddy places, he had a pleasant trip.

**SALUVIA**

Rev. E. J. Croft preached his last sermons for the conference year, on Sunday last, at Siloam and Asbury churches.

John Mumma saw seven deer browsing on the bare spots on Sideling Hill last week, he said that, although close to him, they were so hungry that they appeared to show no fear of him what ever when he baa-ed and called them same as sheep. Mr. Mumma said that a large wild turkey came to his premises during the severe cold weather, and showed no more signs of fear than a tame turkey would.

Fernando Decker recently saw a nice covey of quail huddled together on the snow, frozen to death. Mr. Decker thinks the severe cold weather has caused quite a loss of game animals and birds.

R. J. Crider of Chambersburg, and Howard Weld of McConnellsburg, were in this section on business last week.

George Mock and Bert Hohman of McConnellsburg, bought some cattle in this section last week.

**THOMPSON.**

The many friends of Maynard Keifer will be glad to learn that he is improving. Maynard has been sick for quite a while, and about four weeks ago underwent a serious surgical operation. Miss Bess Morton has had charge of his school during his illness.

Miss Ella Secrist has been ill for some time, but is now on a fair way to recovery.

Mr. and Mrs. Thompson James and Mrs. Mary James spent last Sunday at Harvey Comer's.

Miss Lillian Brewer spent the latter part of last week at the home of John H. Brewer and family. Miss Lillian spent the greater part of the winter with friends and relatives on the Ridge and at Warren Point, but will return to her home at Clearspring, the latter part of this week.

William Secrist, who purchased the Mac Kendall farm in Ayr township will move to that farm in the near future. Mr. and Mrs. Secrist's friends in Thompson are sorry to lose these good neighbors and just wouldn't care how quickly they get homesick and move back on the Ridge.

Mrs. Mary A. Kelley, of McConnellsburg, spent quite a while visiting in the home of Mr. and Mrs. Isaac Culler. Mrs. Kelley drove down before the big snow storms came, and owing to the drifted roads could not get away for some time. Mr. Culler and his family were glad to have "Aunt Mary" with them. Mrs. Culler is a sister of Mrs. Kelley.

Mrs. Lydia Graves Hill, of McKeesport, was buried at the Tontowlay Baptist Cemetery on Friday March 6th. Mrs. Hill had been ill for some time of cancer, yet her death was a great shock to her husband and children. She was the eldest daughter of Mrs. Dorothy and the late Enoch Graves, of Thompson township. Mrs. Hill was a woman who possessed all of those lovely traits of character that won for herself the highest esteem of all who knew her. In her death her children have lost a kind and loving mother, and her husband a true and faithful wife and a most devoted companion. The deceased was a sister of Mrs. W. C. Peck of Sharpe, Pa.

**WHIPS LOVE.**

The series of Union Meetings in the Cove closed with 12 conversions and 14 additions to the churches as follows: 3 to Jerusalem; 10 to Whips Cove and one to Pleasant Grove. Large crowds attended. Rev. Funkhouser of Hancock preached the sermons. Miss Della Bard, of Needmore assisted with the music during the week at Whips Cove church. Lewis Duvall and Owen Barton of Brush Creek assisted in no small way. Mr. Barton did fire singing and therefore helped the good work along.

We appreciate the assistance of these dear people and they have won a warm place in our hearts that words fail to express. May God in His goodness ever keep all those who assisted, in any way, under the shadow of His wings, together with those who have faithfully stood by their conviction in "troubled times," that they go from grace to grace and from strength to strength, always laboring to gather in the lost ones and for the advancement of the kingdom. And may

God in His love keep us all and use us, and to Him shall be the glory forever.

**BRUSH CREEK.**

Mr. and Mrs. B. F. Whitfield, and Mr. and Mrs. James McKee were visiting friends in Whips Cove, Saturday and Sunday.

Mr. and Mrs. M. E. Barton spent Saturday in the home of L. E. McKibbin.

O. A. Barton is spending some time in Whips Cove and attending revival services at that place.

Mrs. Tillie Swartzwelder and son Harry, of Breezewood, spent Saturday at the home of her sister Mrs. L. E. McKibbin.

Bruce Barton and Marshall Lynch were business visitors in Everett one day last week.

A sledload from our vicinity were entertained pleasantly in the home of Mr. and Mrs. M. A. Barkman Saturday evening.

**WELLS TANNERY.**

March 14.—Quite a number of our young people gathered at the home of Milburn Axin, March 10. The evening was spent in playing social games. When they were tired of playing games, ye host entertained them with comical songs and athletics. All reported a jolly good time.

Miss Mary Day Foreman is visiting in New Grenada.

Mrs. Watson Cessna is on the sick list, but am glad to say she is improving, though slowly; also Mr. Horton and Mrs. Clippinger.

Mr. Cessna attended a birth day party at H. C. Fink's, Yellow Creek, Monday evening.

**This New Medicine Saves You Money.**

We are druggists right here in your town and make a living out of the drug business, but it is because people have to have drugs and not because we like to see people suffer—we don't. Our duty is to render the best service we can, and when someone is ailing, we are interested in seeing them take the best medicine there is for their particular trouble. We don't recommend "cure alls," as we don't believe there are such things. We don't want you to spend more than you have to. Some of you get small wages, and when you're sick, none at all, and you should get the most you can for your money.

We recently came across a new remedy for increasing strength and building up people who are run-down and emaciated. We know that a slight trouble sometimes grows into a serious one, and to stop it in the beginning, will save you money in the end. This new compound is called Olive Oil Emulsion. It is the best remedy, when you are run down, tired out, nervous—no matter what the cause. It doesn't merely stimulate you and make you feel good for a few hours, but takes hold of the weakness and builds you up to a healthy, normal condition. It is a real nerve-food tonic and builder of good blood, strong muscle, good digestions. It contains Hypophosphites, which tone the nerves, and pure Olive Oil which nourishes the nerves, the blood and the entire system. Pleasant to take. Contains no alcohol or habit forming drugs. We promise that if you are not perfectly satisfied with it, we'll give back your money as soon as you tell us. Sold only at the 7,000 Rexall Stores, and in this town only by us.
