Monday marked the completion of another year in the life of our townsman, John B. Runyan, and as a mark of appreciation of many good qualities as a husband, his wife killed a chicken, showed some onions, threw out some old coffee grounds, and gave a supper that was just a little extra. What a mass of filth on our streets the melting snow banks reveal! Secretary of the Navy Daniels said in a recent speech: "It is a good omen when women begin to understand their duties. In olden days we thought education of women would destroy their usefulness as home makers. We are coming to the time when women are taking their proper place in the affairs of their country."

County Surveyor Frank P. Plessinger, reports that the new insect that destroys San Jose scale has made its appearance in his orchard, and that in a few cases it had killed all of the scale on the trees; but, on others, where the scale was very bad, the little parasite did not seem able to lay enough of its own eggs in the larva of the scale to kill all of the latter. He is hoping that the unusually severe winter did not kill all the scale enemy, and that enough will appear in the spring to begin work on the scale again.

Farm for Sale

containing 214 acres, about 140 acres cleared and balance in timber, situate in Montgomery township, Franklin county, about six miles from Mercersburg. Buildings all in first class condition, new Bank Barn, all fine Outbuildings, such as Hog Pen, Chicken Houses, Wagon Shed and Corn Crib. A 1 House of 8 rooms, water, which runs by gravity, at barn. Fruit of every description, last year sold \$80.00 worth of cherries. Fine young Apple Orchard, Pears, Plums, Peaches, etc.

This farm I sold last year for \$5,500.00; but the party who purchased has met with adversity and therefore will not be in position to take possession this spring.

PIANOS, PLAYER PIANOS, ORGANS and VICTROLAS.

Pianos are like shoes—some makes good, some bad. They all look alike to the unsophisticated, and here's where the "peddler" gets in his work. He's here to-day with the piano; To-morrow he's away. You have the piano, he has your money.

I have been doing business with the people of Fulton county for ten years. I own real estate and pay tax. I am here to make good if the instrument I sell you is not satisfactory in every respect.

The following well known people have purchased Player Pianos and Pianos from me. Ask any of them about me before you buy from any one else.
